**The Sword of Shannara Trilogy** Sep 16 2021 For the first time in one elegant collector's edition hardcover, and featuring an introduction by New York Times bestselling author Terry Brooks, here are the first three novels of that classic series: *The Sword of Shannara*, *The Elfstones of Shannara*, and *The Wishsong of Shannara*—the beginning of a phenomenal epic of good and evil. The *Sword of Shannara* Long ago, the wars of the ancient Evil ruined the world. In peaceful Shady Vale, half-elfin Shea Ohmsford knows little of such troubles. But the supposedly dead Warlock Lord is plotting to destroy everything in his wake. The sole weapon against this Power of Darkness is the *Sword of Shannara*, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. *The Elfstones of Shannara* The magical Ellcry tree is dying, loosening the spell that bars the Demons from enacting vengeance upon the land. Now Wil Ohmsford must guard the Elven girl Amberle on a perilous quest as she carries one of the Ellcry's seeds to a mysterious place where it can be quickened into a powerful new force. But dark on their trail comes the Reaper, most fearsome of all Demons, aiming to crush their mission at any cost. *The Wishsong of Shannara* An ancient Evil is stirring to new life, sending its ghastly Mord Wraiths to destroy Mankind. To win through the vile growth that protects this dark force, the Druid Allanon needs Brin Ohmsford—for she alone holds the magic power of the wishsong. Reluctantly Brin joins the Druid on his dangerous journey. But a prophecy foretells doom, as Evil nurses its plans to trap the unsuspecting Brin into a fate far more horrible than death. Thus begins Terry Brooks's thrilling Shannara epic, an unforgettable tale of adventure, magic, and myth. **BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.

**Die Shannara-Chroniken 3 - Das Lied der Elfen** Dec 27 2019 Eine uralte Bedrohung kehrt in die Welt zurück und sendet seine Mordgeister aus, um die Menschheit und die Elfen zu vernichten. *First King of Shannara* Jul 14 2021 The prequel to the classic Shannara series, the tale that redrew the boundaries of modern fantasy. After the terrible misuse of magic during the First War of the Races, the Druids at Paranor devoted themselves to the study of the old sciences. But forces were on the move from the Northlands, and at the heart of the evil tide was an archmage and Druid named Brona. One Man understood that if the peoples of the Four Lands were to escape eternal subjugation they would need to unite. But even united, they would need a weapon - something so powerful that the evil magic of Brona, the Warlock Lord, would fail before its might. And thus was forged the *Sword of Shannara*.

With these traps cleverly laid, the charges given by the shade of the Druid Allanon are doomed to failure—unless Par can discover a way to harness the power of the *Sword of Shannara*. Thus continues the enthralling Shannara epic, a spellbinding tale of adventure, magic, and myth... **BONUS:** This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.

*Indomitable* Jan 08 2021 An epilogue to *The Wishsong of Shannara* The time of the Shannara follows in the wake of an apocalypse that has destroyed the old world and very nearly annihilated its people as well. A thousand years of savagery and barbarism have concluded at the start the series with the emergence of a new civilization in which magic has replaced science as the dominant source of power. A Druid Council comprised of the most talented of the new races—Men, Dwarves, Trolls, Gnomes, and Elves, names taken from the old legends—has begun the arduous task of rebuilding the world and putting an end to the racial warfare that has consumed the survivors of the so-called Great Wars since their conclusion. But the wars continue, albeit in a different form. Magic, like science, is often mercurial, can be used for good or evil, and can have a positive or negative effect on those who come in contact with it. In *The Sword of Shannara*, a Druid subverted by his craving for magic's power manipulated Trolls and Gnomes in his effort to gain mastery over the other races. He failed because of Shea Ohmsford, the last of an Elven family with the Shannara surname. Shea, with the help of his brother and a small band of companions, was able to wield the fabled *Sword of Shannara* to destroy the Dark Lord. Subsequently, in *The Elfstones of the Shannara*, his grandson Wil was faced with another sort of challenge, one that required the use of a magic contained in a set of Elfstones. But use of the Stones altered Wil's genetic makeup, so that his own children were born with magic in their blood. As a result, in the third book of the series, the *Wishsong of Shannara*, Brin and her brother Jair were recruited by the Druid Allanon to seek out and destroy the Ildatch, the book of dark magic that had subverted the Warlock Lord, and was now doing the same with the Mord wraiths. The story that follows takes place several years after the conclusion of *The Wishsong* and again features Jair Ohmsford, who must come to terms with his obsession with the past and his use of his magic that his sister has warned him not to trust BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*.
