It's Hard to Talk about Yourself Dec 21 2021 "Ginzburg's marriage to Leone Ginzburg, who met his death at the hands of the Nazis for his anti-fascist activities, and her work for the Einaudi publishing house placed her squarely in the center of Italian political and cultural life. But whether writing about the Turin of her childhood, the Abruzzi countryside where her family was interned during World War II, or contemporary Rome, Ginzburg never shied away from the traumas of history - even if she approached them only indirectly, through the mundane details and catastrophes of personal life."--Jacket.

It's Hard Not to Hate You Aug 17 2021 From the author of *THIS IS THE NEW HAPPY* comes a hilarious new memoir about embracing your Inner Hater. In the midst of a health and career crisis, Valerie uncorks years of pent up rage, and discovers you don't have to be happy to be happy. You don't have to love everyone else to like yourself. And that your Bitchy Twin might just be your funniest, most valuable and honest ally. "The hate in you has got to come out." After being advised to reduce stress by her doctor, humorist Valerie Frankel realized the biggest source of pressure in her life was maintaining an unflappable easing-going persona. After years of glossing over the negative, Frankel goes on a mission of emotional honesty, vowing to let herself feel and express all the toxic emotions she'd long suppressed or denied: jealousy, rage, greed, envy, impatience, regret. Frankel reveals her personal History of Hate, from mean girls in junior high, selfish boyfriends in her twenties and old professional rivals. Hate stomps through her current life, too, with snobby neighbors, rude cell phone talkers, scary doctors and helicopter moms. Regarding her husband, she asks, "How Do I Hate You? Let Me Count the Ways." (FYI: There are three.) By the end of her authentic emotional experience, Frankel concludes that toxic emotions are actually good for you. The positive thinkers, aka, The Secret crowd, have it backwards. Trying to ward off negativity was what'd been causing Frankel's career stagnation, as well as her health and personal problems. With the guidance of celebrity friends like Joan Rivers and psychic Mary T. Browne, Frankel now uses anger, jealousy and impatience as tools to be a better, balanced and deeper person. *IT'S HARD NOT TO HATE YOU* sends the message that there are no wrong emotions, only wrong ways of dealing with them.

It's Hard to Sing While You're Swimming Mar 12 2021 In Tim Cowgill book it tells the story of a middle-aged man who sets off on a journey back to Ireland to attend the funeral of an old friend. On the journey he reads a journal that a younger self wrote recounting his difficult childhood and the pain of growing up. The older reader is taken back to his childhood traumas through the journal which recalls events in the years from 1969 through to the year 1981. The journal is littered with musical references that the middle-aged reader uses to make strong connections between his modern life and the life of the writer. This connection is further reinforced by a trip back to the country of his birth, Ireland. The reader is invited to remember their own youth through regular mentions of significant events and important music of the time; the 60s, the 70s and the 80s.

It's Hard Being Human Sep 29 2022 Suffering jolts us awake whether we like it or not, but just as disappointments and suffering are a part of life, so are grace and joy. Joy is right here, right now if we can but see it. The sweetest moments of peace and bliss that I've experienced in my life have been spontaneous eruptions of joy which were not manufactured by the material world, but evolved from an inner consciousness of gratitude and grace.

Why It's Hard To Be Good Mar 24 2022 In a series of brief chapters, Al Gini lays out ideas for 'stepping out of the shadow of the self' - an argument for stopping thinking of yourself as the centre of the universe. It's hard to be good, he explains, until we realize that being good only has meaning in relation to other people. Ideas of justice, fairness, and ethical behavior are just that - abstract ideas - until they are put into action with regard to people outside ourselves. We may worry too much about good versus evil - big concepts that give us plenty of room to sit on the right side of the equation, he argues. Instead, we need to be thinking about how being good involves an active relationship toward others. Being good all by yourself may not be good enough. This warm and generous book is for anyone who wants to know how to use ethical thinking as way to live, work, and be with others.

Dunne It the Hard Way Oct 19 2021 Born in Dublin but raised in London, Alan Dunne spent nearly a quarter of a century with what became his home-town club of Millwall - and after almost 400 senior games left as a legend. Joining the youth set-up at the age of eight, he rose through the ranks to eventually become a player who epitomised the club, as his wholehearted approach resonated with the fans at the Den. Dunne It the Hard Way is a frank and honest insight into his life with the Lions, from making the worst of first impressions on a manager, to the heartbreak of being told he was no longer wanted in 2015, and plenty of highs and lows in between - including a broken promise ahead of Millwall's only ever appearance in the FA Cup Final. He also explains why his dad told him to leave home to save his career; why he was left to pay a team-mate's dental bills; how he was caught posing with a naked model holding a plate of toast; how the penny finally dropped, before it was too late; how he turned around a career which almost hit the skids to become such a firm favourite of the crowd that he was nearly immortalised in statue form; and he tells the story behind each of his record number of red cards!

Lord, I've Felt Like a Butterfly for So Long, It's Hard to Think Like a Butterfly Oct 31 2022 This book is for all the genuine "not good enough" people. Those least likely to succeed. The ones always chosen last or not at all. If you are an expert at blending into walls this book is for you. I have good news. You are chosen. You are what the Bible calls the "poor in spirit," which means you qualify as an heir to all the riches in the kingdom of heaven. If you are truly bankrupt in self-esteem, wonderful! You pass the test. The kingdom of

heaven is on its way to earth and kingdom values are downside up. Last in line goes in first, the poor are rich, the simple are wise. So if you are self-confident and secure, certain you can make it all by yourself, this book won't make any sense at all. (Unless, of course, you're faking it.)

The Grey Woman Jun 02 2020 Anna, a German mill-owner's daughter, marries a French aristocrat and moves to France. She discovers that her husband killed his previous wife and that he is trying to kill her as well. Quick, intriguing, and with an extremely interesting plot, 'The Grey Woman' (1861) is a short story by Elizabeth Gaskell for anyone who enjoys a good gothic shudder. Incredibly progressive for its time, it is about the survival of the ill-treated woman who has decided that enough is enough. Elizabeth Cleghorn Gaskell (1810-1865) was an English novelist, short story writer, and biographer, best known for her novels 'North and South' and 'Wives and Daughters' as well as her biography of Charlotte Brontë. Gaskell was viewed as a minor author until the 1950s where it became evident that her depiction of industrial environments and social problems was brilliant and poignant.

Politically Homeless Jul 04 2020 'Rarely is such an important book this funny. And rarely is such a funny book this important' - RICHARD OSMAN 'The second funniest book I have read about being a Labour supporter from Blair to Brexit' - JOHN O'FARRELL 'Matt Forde is brilliant at finding the comedy which often accompanies political life. This book made me laugh out loud - and wince in recognition' - TONY BLAIR 'This book is smarter and funnier than Donald Trump. Matt Forde was so bad at politics that I'd have considered working for him' - ANTHONY SCARAMUCCI 'That Matt Forde is able to make the current political shit-show funny shows his genius. You'll be laughing too hard to notice, but this is a very clever book' - RUTH DAVIDSON 'Definitely one of the books I will claim to have read this year' - JACK DEE 'Absolutely brilliant. I didn't want the book to end but I'm glad Forde's political career did. And I mean that as both a compliment and not a compliment' - RUSSELL HOWARD ----- Part memoir, part behind-the-scenes insider view, *Politically Homeless* is both a fascinating and funny book for anyone who feels annoyed by the current state of politics. Which should be around 65 million people in the UK alone. Matt Forde has been obsessed with politics ever since he was 9 years old. Raised by a single mum on benefits in inner city Nottingham, he joined the Socialist Workers Party as soon as he could, foisted issues of Marxism Today on innocent bystanders and attended his first political party conference. From then on, despite some career suicide moments such as chatting to the Prime Minister at Number 10 while badly drunk, Matt's whole future looked wedded to the Labour Party as he started working for MPs in dingy back rooms in Nottinghamshire. But then Labour started to fall apart, and so did Matt's sense of purpose. With the rise of Corbyn, Brexit and Trump, his love for politics that had been so profound began to quickly crumble. Exploring themes such as tribalism, the curse of complacency and why some politicians refuse to speak normally, *Politically Homeless* is a hugely entertaining book of (often hilarious) personal stories and thought-provoking insights into this complicated world. And despite everything, Matt's passion is still there. Through hosting his award-winning weekly podcast, 'The Political Party' (over 5 million downloads) involving interviews with some of politics' most powerful and notorious figures including Tony Blair, Nicola Sturgeon, Sadiq Khan, Michael Heseltine, Nigel Farage and Jacob Rees-Mogg and performing critically acclaimed stand-up comedy shows, Matt has been able to keep enough faith that politics will get better. Maybe.
