Your Faith Will Sustain You And You Will Prevail Jun 02 2020 This book tells the impressive life-story of the author's parents and their remarkable pastoral leadership within a group of Mennonites who fled Stalinist Russia in 1929 to settle in the "undeveloped" Paraguayan Chaco. The story demonstrates this couple's team leadership style in church and community well before the term was fashionable; Elisabeth's important contribution, which really enabled Jakob's unreserved dedication to community service, is explicitly recognized. Readers are shown how their genuine, unwavering Christian faith provided both the leaders and the community the needed strength and endurance in situations of oppression and persecution in Russia and in facing the challenges of their pioneering work in the isolated Chaco. And although not intended at first, this faith-centered life of the community spontaneously led to being a missional presence in their social surroundings, including among the region's Aboriginal peoples. A special chapter on the missionary work of Kornelius Isaak, the author's older brother, is also included in the book; Kornelius' early death by the spear of an Ayoreo (Indian) warrior, who subsequently became a Christian, would forever mark the Isaak family. Though Helmut does most of the telling, it is a family story, "retold by the children and grandchildren," integrating significant portions from Ältester Isaak's own reflections on key occasions of Fernheim Colony's history. But the book is more than a family biography. This "family story" inevitably gives readers a significant window into the workings of Gemeinde (church) and colony including their strengths and weaknesses. Moreover, the book insightfully and skillfully contextualizes the story of these migrants within the larger 20th century history. The Isaak family is to be commended for making this remarkable story of their family and larger community available to the wider Mennonite world and beyond. - PROF. DR. TITUS GUENTER, Canadian Mennonite University, Winnipeg, in collaboration with REV. WILLY GUENTER

29 Keys to Unlocking Your Faith at Work & Win! May 14 2021 Somewhere along the journey of my walk with Christ I was made to believe that the work we do for the Lord within the four walls of the church, i.e. any church ministry activity, was most important and pleasing to God. This teaching did not sit well with me. As I spent more time in the Word and grew in my personal relationship with the Lord I became more and more aware that God wants ALL of my life to be a living sacrifice a life that is fully surrendered to Him and not just that part of my life that I offer within my church. Coming to this realization was a journey of self-acceptance, confidence and authenticity, understanding who I am created to be in Him. I accepted fully that God had a specific plan for my life and that I must be true to the calling He has for me. So, instead of just focusing on participating or even leading church related activities, I started to become more mindful of how I lived my life on a daily basis in my workplace to make sure that I give glory to God in all that I do, say or think. I started to look for opportunities to show and share Christ in my marketplace whenever I could. I love to mentor and coach others and believe that my everyday life in the workplace is where I can be an active and living ambassador for Christ. It is clear that God desires for me to be to be the salt and light in the world the marketplace that he has suited me for both in terms of skills and fit. The calling on our lives is awesome and much bigger than we can imagine. Through this book I want to encourage others to consider and change their lives allowing God complete access to their work life knowing that he cares about us in that sphere and requires us to be his witness as we accomplish our jobs. This book will specifically encourage women and anyone (men, also) who desires to increase their impact and demonstrate their faith in a practical way in the workplace. I share transparently with others how I walk this called out life in the workplace in the most practical ways and provide them with an opportunity to consider ways in which they could become more effective for Christ in the workplace to which God has called them to operate.

How to Keep Your Faith in an Upside-Down World May 02 2020 In a world where evil is glorified, Christians are vilified, and athletes earn more than the total budget of some small countries, there comes a time when you think life is out of control-and your world is upside down. The Cost of My Faith Oct 19 2021 Why Not Just Make the Cake? That's a question countless people across the country started asking in 2012, when Jack Phillips told two men who walked into his

Masterpiece Cakeshop that he couldn't create a custom cake for their same-sex wedding. And the question only grew more urgent as Phillips had to defend himself first before the Colorado Civil Rights Commission and then numerous courts—losing at every step of the way until the U.S. Supreme Court ruled in his favor in June 2018. Why not just make the cake? Submitting would have been less frightening than facing relentless harassment and death threats. It would have been less costly than losing a major portion of his business when the state demanded that he design cakes for same-sex weddings or none at all. And it would have been easier than a decade of fighting for his rights—and his livelihood—in court, a fight he has been forced to continue even after his victory at the Supreme Court. But for Jack Phillips, there are deeper principles at stake—principles too precious to abandon for the sake of convenience and safety. These principles should be of concern to every American, including Jack's adversaries. If the freedoms Jack has sought to protect are lost, they may never be regained. Why not just make the cake? In this inspiring book, Jack answers that question in his own words, hoping his story will inspire and strengthen the many who will encounter challenges, however fearsome, to living out their faith.

On Trial: a Test of My Faith Jan 10 2021 *On Trial: A Test of My Faith* is a poetic and prophetic chronicle of enduring life's fiery trials, especially after receiving a promise from the LORD God. This is a test of my faith and patience, but most importantly, it is a test of my love for the Lord my God. Prayerfully, at the end of this test, the Lord will say to me, "Now I know that you love Me because you did not withhold anything from Me." Whatever your life's trials are, *On Trial: A Test of My Faith* will help to strengthen your faith in the Almighty God. Your trials may differ from mine, but we are in this together: Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: But rejoice, inasmuch as ye are partakers of Christ's sufferings; that, when His glory shall be revealed, ye may be glad also with exceeding joy. If ye be reproached for the name of Christ, happy are ye; for the Spirit of Glory and of God resteth upon you: on their part He is evil spoken of, but on your part He is glorified. But let none of you suffer as a murderer, or as a thief, or as an evildoer, or as a busybody in other men's matters. Yet if any man suffer as a Christian, let him not be ashamed; but let him glorify God on this behalf. ~ 1 Peter 4:12-16 (KJV)

Will I accept the wheelchair or will the POWER OF MY FAITH cause me to defy it and walk away! Which will it be? Have you ever wondered; what is faith? Will it work?

Does it work? How do you get it? I have heard about it; but how can I really achieve it? As you read this book it is my prayer that your faith will be increased and you will never doubt whether it works again. It is not what others believe but what do you believe? Because it really is THE POWER OF YOUR FAITH!

The Gospel of César Chávez Sep 25 2019 Once asked to explain how he had sustained himself over so many years of struggle, César Chávez responded: "I don't think I could base my will to struggle on cold economics or some political doctrine. For me, the base must be faith." In evaluating the life and struggles of César Chávez, one of the most recognized Latino leaders in the United States and the first labor leader to successfully organize and unionize U.S. farm workers, many historians, journalists, and other writers have largely missed one significant factor of his life—his faith and deep spirituality. The Gospel of César Chávez uses the prolific leader's own words to express his profound faith and the way it shaped his life and leadership.

Soul Survivor Nov 27 2019 One of America's leading Christian thinkers interweaves the story of his own struggle to reclaim his beliefs with inspiring portraits of people who have succeeded in the pursuit of an authentic faith. In *Soul Survivor*, Philip Yancey charts his spiritual pilgrimage through the influence of key individuals: "These are the people who ushered me into the Kingdom. In many ways, they are why I remain a Christian today, and I want to introduce them to other spiritual seekers." Yancey interweaves his own journey with fascinating stories of those who modeled for him a life-enhancing rather than a life-constricting faith: Dr. Paul Brand, G. K. Chesterton, Annie Dillard, Frederick Buechner, C. Everett Koop, Leo Tolstoy, Fyodor Dostoevsky, Henri Nouwen, John Donne, Mahatma Gandhi, Shusaku Endo, Martin Luther King, Jr., Robert COles. Readers will find these inspiring portraits both nurture and challenge for their own understanding of authentic faith. Yancey fans will devour these new glimpses of how he has held onto faith while acknowledging with utter honesty its inherent difficulties. New Yancey readers will be drawn in by the theme of faith versus religion and drawn along a compelling narrative of signposts on a spiritual journey. *Soul Survivor* offers illuminating and critically important insights into true Christianity, which will enrich the lives of veteran believers and cautious seekers alike.

The Power of Suffering Jul 04 2020 "In The power of suffering, renowned pastor and author John MacArthur takes an in-depth, honest look at the reality of pain and hurt in the life of a believer. Filled with rich biblical truths and fresh insights, this study explores how God ultimately uses suffering for good in the lives of His children and offers encouragement and hope for the heavy heart"--P. [4] of cover.

Meditations on Living My Faith Jul 24 2019 In one of his sermons, Saint Augustine asked his congregation, "Do you believe?" And they answered, "Yes, we believe!" He told them: "Then live your faith and you have true faith." I used to think that this meant that I should make my life conform to the tenets of my faith. If I believe in life everlasting, I should not make this earth a permanent abode. If I believe that God became incarnate in Jesus, then I should respect and cherish all the flesh, that is, all the people sanctified by His presence and so forth. But then, one day, I realized that if to believe is to establish contact with God, then to live my faith is to be enlivened by that immeasurable source of life. Faith is like a switch between the little motor that runs my life and the Dynamo from which all power comes. To believe, to turn on the switch, is to be turned on, to be set in motion in the world. Living my faith means paramountly to let the divine energy flow through me. The details are secondary. They are a help to me to concentrate on the source of my inner life. But the important thing is to be the conduit through which the water Source tapped by faith flows freely into the world.

"My Faith in the Constitution Is Whole" Oct 26 2019 How Barbara Jordan used sacred and secular scriptures in her social activism US Congresswoman Barbara Jordan is well-known as an interpreter and defender of the Constitution, particularly through her landmark speech during Richard Nixon's 1974 impeachment hearings. However, before she developed faith in the Constitution, Jordan had faith in Christianity. In "My Faith in the Constitution is Whole": Barbara Jordan and the Politics of Scripture, Robin L. Owens shows how Jordan turned her religious faith and her faith in the Constitution into a powerful civil religious expression of her social activism. Owens begins by examining the lives and work of the nineteenth-century Black female orator-activists Maria W. Stewart and Anna Julia Cooper. Stewart and Cooper fought for emancipation and women's rights by "scripturalizing," or using religious scriptures to engage in political debate. Owens then demonstrates how Jordan built upon this tradition by treating the Constitution as an American "scripture" to advocate for racial justice and gender equality. Case studies of key speeches throughout Jordan's career show how she quoted the Constitution and other founding documents as sacred texts, used them as sociolinguistic resources, and employed a discursive rhetorical strategy of indirection known as "signifying on scriptures." Jordan's particular use of the Constitution—deeply connected with her background and religious, racial, and gender identity—represents the agency and power reflected in her speeches. Jordan's strategies also illustrate a broader phenomenon of scripturalization outside of institutional religion and its rhetorical and interpretive possibilities.

Lost and Found Along The Way: Stories for Your Faith Walk from the Camino de Santiago Dec 09 2020 The Camino?or The Way?to Santiago is a five-hundred-mile, thirty-three-day walk across Spain's extreme conditions to reach the beloved Cathedral of Santiago. Ron "Willie" Williams walked The Way two and a half times, a total of twelve hundred miles. Why? It is less about what he gains, and more about what he loses along The Way?old behaviors, unforgiveness, and a tendency to play God. Journey with Willie through the chapters of Lost and Found Along The Way, as he sheds these tendencies, and in doing so finds a renewed, richer, and deeper faith. The first few chapters are narrative historical fiction portraying James in Acts 12:2 facing his execution along with supposed reactions from his loved ones. At the end of this narrative, we transition back to nonfiction with the discovery of James' gravesite some eight hundred years after his martyrdom. Willie then explains how the Camino pilgrimages began along the Camino, also known as, The Way. No other nonfiction book offers such a unique back story of Saint James and the Camino. The following chapters, and the bulk of the book, follow Willie's own Camino journeys, present vivid descriptions of the geography on the trail and historical background provide readers with a nearly firsthand experience of The Camino de Santiago. True and dramatic faith walk stories demonstrate God's hand in people's lives and guide readers to dig deeper into their own spiritual life and get outside their comfort zone. The final chapter of Lost and Found Along The Way instructs fellow sojourners in how to follow Willie's example to strengthen their own faith and share it with those who have lost their own faith?no hiking boots required.
