**The Trials of Academe** Mar 31 2020 As Amy Gajda shows in this witty yet troubling book, litigation is now common on campus, and perhaps even more commonly feared. This book explores the origins and causes of the litigation trend, its implications for academic freedom, and what lawyers, judges, and academics themselves can do to limit the potential damage.

*Illegal Affairs* Apr 24 2022 In the heart of Texas, Monroe University Law School's newest recruits have it all. . .but in Shelia Dansby Harvey's sexy, explosive debut novel, that might be too much. Beautiful and kind--yet fiery and passionate when it counts--Callie Stephens has a new career track, a new best friend, and a new love. Finally the void left by her father's mysterious death is being filled, but life has a few new twists in store. . . Smart, successful seductress Raven Holloway has "that intangible thang" everyone in town has noticed--including a very powerful, very married, Texas senator. Raven's used to going for it all, but this time she may be going too far. . . Aspiring lawyer and ex-pro football player Omar Faxton is a freeloading womanizer. Then he meets Callie. Now he's torn between two loves: his real-life woman and the insatiable greed that's fueled every relationship he's ever had--including the one Callie doesn't know about. . . Tall, dark, and intense, Keith Dawson is trying to put his life back together after some serious screw-ups. But when he finds himself irresistibly attracted to his friend Omar's girl, he wonders if he's just rotten to the core. . . Meanwhile, as a white student at Monroe, Bret Milstead is in the minority for the first time. And when he finds himself falling for a black classmate, he'll have to choose between convention and uncharted waters dictated by love. . . "Sexy and sassy. . . a can't-miss tale." --Victor McGlothlin, author of *Every Sistah Wants It* "A compelling and page-turning novel." --R.A.W. SISTAZ Reviewers "Hot romance and spicy intrigue." --William July, author of *The Hidden Lover* Shelia Dansby Harvey is a practicing attorney and has taught at Rice University's graduate school of business and Thurgood Marshal

School of Law. Among her many accomplishments, she was the publisher of *Black Tie*, an African American lifestyle magazine. She lives with her husband in Houston, Texas.

*Collateral Damage* Jun 02 2020 Drawing on their extensive research, Nichols and Berliner document and categorize the ways that high-stakes testing threatens the purposes and ideals of the American education system. For more than a decade, the debate over high-stakes testing has dominated the field of education. This passionate and provocative book provides a fresh perspective on the issue and powerful ammunition for opponents of high-stakes tests. Their analysis is grounded in the application of Campbell's Law, which posits that the greater the social consequences associated with a quantitative indicator (such as test scores), the more likely it is that the indicator itself will become corrupted—and the more likely it is that the use of the indicator will corrupt the social processes it was intended to monitor. Nichols and Berliner illustrate both aspects of this "corruption," showing how the pressures of high-stakes testing erode the validity of test scores and distort the integrity of the education system. Their analysis provides a coherent and comprehensive intellectual framework for the wide-ranging arguments against high-stakes testing, while putting a compelling human face on the data marshalled in support of those arguments.

**A House Destroyed** Jul 16 2021 "Meet D'andra Williams...mother of two and sales associate. After serving time in prison, D'andra gives herself a second chance at life...to become an upstanding citizen and a caring mother. Of Course, like any other concerned mother, she detests the idea of raising her children in a crimeinfested apartment complex. D'andra's hasty decision begins to brighten after she

relocates her children to a two story home closest to work and her children's school. What D'andra doesn't know, is that there is darkness and evil. She is caught in the entanglement of Child Protective Services, the State and the paranormal. D'andra's journey will test her faith and courage to keep her family together."

**Chocolate Chips and Cheaters** Oct 07 2020 Don't be fooled. She may be sweet, but she's one smart cookie. As Kara Summer's second year of law school was coming to a close. Little did she know, her boring and predicable life was about to get turned upside down. When an answer key to an exam is found in the library, the accusations began to fly. When the professor discovers this unethical and crummy behavior, Kara is caught in the middle. The only way to defend herself is to figure out who the real culprit is. However, she may lose a person she loves in the process. *Chocolate Chips and Cheaters* is the prequel novella short to *Key Lime Crime*, the first book in the *Sunny Shores Mystery* series. The *Sunny Shores Mysteries* series is set in the fictional town of Sunny Shores, Florida. Each book in the series is a light-hearted cozy stand-alone story, but has a larger story arc between books. All ages can enjoy the stories, because they have no swearing, naughty content, or graphic violence. Culinary cozies cozy mystery

**God Answers** Jan 28 2020 TO DECEIVE EVEN THE VERY ELECT . . . I'm not going to be a waste of your time. I want you to read my book, but then, what writer doesn't. I have never published, but spent six years, so far, just rewriting, and more than forty years on this work to gather the facts, yet it is still not a big volume. It is a book about what HIS position seems to be EUR"while so many ignore this, and moan about God's lack of response to their own positions. It won't get many supporters, but will draw huge numbers who won't like what they simply must read, to stay in the loop. It is for Scientists, Christians, Jews, and, Muslims, or anyone else who is breathing and asking questions or shouting answers. It will answer more questions than almost any single book on apologetics or Christian how-to will. And do so convincingly.

A great asset for home-schoolers and Catholic schools alike!

Carved from Granite Oct 31 2022 The United States Military Academy at West Point is one of America's oldest and most revered institutions. Founded in 1802, its first and only mission is to prepare young men—and, since 1976, young women—to be leaders of character for service as commissioned officers in the United States Army. West Point's success in accomplishing that mission has secured its reputation as the foremost leadership-development institution in the world. An Academy promotional poster says it this way: "At West Point, much of the history we teach was made by people we taught." Carved from Granite is the story of how West Point goes about producing military leaders of character. An opening chapter on the Academy's nineteenth-century history provides context for the topic of each subsequent chapter. As scholar and Academy graduate Lance Betros shows, West Point's early history is interesting and colorful, but its history since then is far more relevant to the issues—and problems—that face the Academy today. Drawing from oral histories, archival sources, and his own experiences as a cadet and, later, a faculty member, Betros describes and assesses how well West Point has accomplished its mission. And, while West Point is an impressive institution in many ways, Betros does not hesitate to expose problems and challenge long-held assumptions. In a concluding chapter that is both subjective and interpretive, the author offers his prescriptions for improving the institution, focusing particularly on the areas of governance, admissions, and intercollegiate athletics. Photographs, tables, charts, and other graphics aid the clarity of the discussion and lend visual and historical interest. Carved from Granite: West Point since 1902 is the most authoritative history of the modern United States Military Academy written to date. There will be lively debate over some of the observations made in this book, but if they are

followed, the author asserts that the Academy will emerge stronger and better able to accomplish its vital mission in the new century and beyond.

**Understanding Authority in Higher Education** Jun 26 2022 Within the complex environment of higher education, administrators and faculty members face daunting challenges in their unique domains of institutional governance. Many of the greatest challenges arise from basic misunderstandings of authority and its limitations by administrators and faculty members alike. These misunderstandings are the primary source of disruptive confusion, mistrust, and mismanagement. Consequently, an institution's governance would improve significantly if its personnel clearly understand the fundamental principles of authority. To bring about this improvement, *Understanding Authority in Higher Education* clarifies issues of authority in an academic setting. Throughout, it introduces basic concepts of higher-education administration and then examines the limits of authority in context. Pedagogically, the book strives continuously to ascertain whether authority is used properly from a legal perspective, emphasizing the influence of academic cultural norms on legal principles and vice versa. But, *Understanding Authority in Higher Education* goes further than law textbooks by using real and anecdotal case studies to examine aspects of authority that don't appear in court proceedings— those that lie beyond the reach of the law. In these cases, the book explores the anthropology— the behavior and the culture—of authority in the academic environment.

*180 Days of Geography for Fifth Grade* Jul 04 2020 Supplement your social studies curriculum with 180 days of daily geography practice! This essential classroom resource provides teachers with weekly geography units that build students' geography knowledge, and are easy to incorporate into the classroom. In a world that is becoming more connected and globalized, 21st century students must have the skills necessary to understand their world and how geography affects them and others. Students will develop their map and spatial skills, learn how to answer text- and photo-dependent questions, and study the 5 themes of geography. Each week covers a particular topic and introduces students to a new place or type of map. The first two weeks consist of a mini-unit that focuses entirely on map skills. For additional units, students will study various places, and how culture and geography are related. With a focus on the six populated continents,

students will explore various types of maps including physical maps, political maps, topographic maps, thematic maps, climate maps, regional maps, and various topics including scale, legends, cardinal directions, latitude and longitude, and more. Aligned to state standards and National Geography Standards, this resource includes digital materials.

**A Tribe Apart** Oct 26 2019 For three fascinating, disturbing years, writer Patricia Hersch journeyed inside a world that is as familiar as our own children and yet as alien as some exotic culture—the world of adolescence. As a silent, attentive partner, she followed eight teenagers in the typically American town of Reston, Virginia, listening to their stories, observing their rituals, watching them fulfill their dreams and enact their tragedies. What she found was that America's teens have fashioned a fully defined culture that adults neither see nor imagine—a culture of unprecedented freedom and baffling complexity, a culture with rules but no structure, values but no clear morality, codes but no consistency. Is it society itself that has created this separate teen community? Resigned to the attitude that adolescents simply live in "a tribe apart," adults have pulled away, relinquishing responsibility and supervision, allowing the unhealthy behaviors of teens to flourish. Ultimately, this rift between adults and teenagers robs both generations of meaningful connections. For everyone's world is made richer and more challenging by having adolescents in it.

The 5 Secrets to Social Success with Biblical Principles Jan 10 2021

"...It's obvious that a lot of time, prayer and study have gone into preparing "The 5 Secrets to Social Success with Biblical Principles." I can see application of "5 Secrets" in schools, churches and for adults who are learning to transition out from social and economic poverty. The skills your curriculum teaches are the basic building blocks to healthy relationships which build social success in the home and beyond. ..." James P. Dumont Senior Pastor Erie Christian Fellowship Church Erie, Pennsylvania "...This program addresses issues of isolation, thinking errors and attitude and explains Biblical directions for overcoming each issue. Each of these areas is a common pitfall for those trying to re-integrate back into society.... This program has legs!!" Darrell A. Smith B.S. C.A.C Director of Programs and Men's Ministries The Erie City Mission Erie, Pennsylvania "... I have people

tell me all the time that new hires today lack fundamental skills on resolving conflict and respecting the authorities placed over them. The curriculum that Dr. Liken and Mrs. Blalock have written cuts right to the heart of this issue... Be blessed, this is truly well done." Jason Ackerman, Student Ministry Pastor Erie Christian Fellowship Church, Erie, Pennsylvania "...I have worked in the drug and alcohol field and private counseling, and it is evident that these skills are forgotten during the "lifestyle" and need to be relearned. The 5 Secrets to Social Success is clearly written and can be utilized both in group format as well as individual..." Charen Pasky, LSW ABC's of Building Better Lives, LLC Erie, Pennsylvania "In ministry there is a belief that we should not have conflict and that we should turn the other cheek and ignore to no growth and stifles our opportunity to deal with and potentially resolve the conflict (communication) issues. I intend to use your materials immediately with our leadership team to set the stage for more Biblically based communication and conflict resolution..." Dr. Jim Castleberry, PhD Executive Director The Cornerstone Rescue Mission, Rapid City, South Dakota 57709 "The 5 Secrets to Success with Biblical Principles Study Journal reinforces God's Word in action with everyday life as it applies to each of us... Leadbetter's book offers behind-the-scenes information in a, here-to-fore, unpublished history from the Office of Associate General Counsel for the University of Tennessee. All events discussed come from his personal knowledge and years of meticulous notetaking covering a period from 1967 to the present. The book, over 600 pages in length, takes readers through the years of his life that Leadbetter lived to the fullest. Beginning with his role as a student leader of conservative orientation during the tumultuous years of the late 1960s and early '70s, the book moves to Leadbetter's surprising hire by the University as its first law clerk in the Office of General Counsel, only days after completion of litigation brought against the University by Leadbetter to obtain in-state classification.
