Mansfield Plantation Jun 22 2022 Standing on the banks of the Black River, Mansfield Plantation is a living testament to antebellum rice plantations. In 1718, it started as a five-hundred-acre land grant near the upstart village of Georgetown. The main house was built around 1800, and the plantation soon grew to nearly one thousand acres. John and Sallie Middleton Parker returned the property to the Man-Taylor-Lance-Parker family, a line of ownership dating back 150 years. Ongoing preservation projects ensure that future generations can explore and appreciate one of the most well-preserved rice plantations in America. Plantation historian Christopher C. Boyle captures the spirit of Mansfield Plantation and unravels the many mysteries of its past.

A History of the Episcopal Church Schism in South Carolina May 21 2022 In 2012, the Episcopal Diocese of South Carolina declared its independence from the Episcopal Church. It was the fifth of the 111 dioceses of the Church to do so since 2007. A History of the Episcopal Church Schism in South Carolina is the sweeping story of how one diocese moved from the mainstream of the Episcopal Church to separate from the church. It examines the underlying issues, the immediate causes, and the initiating events as well as the nature and results of the schism. The book traces the escalating conflict between the diocese and the church that led up to the schism. It also examines the legal war between the two post-schism dioceses, the majority in the independent Diocese of South Carolina and the minority in the Episcopal Church in South Carolina. This is the first scholarly history of a diocesan schism from the Episcopal Church. It is extensively researched from original and secondary sources and documented in over 2,000 notes citing nearly 900 works. This story stands as a cautionary tale of what happens in a major Christian denomination when majority and minority factions increasingly differentiate themselves and what impact that can have for both parties.

When Collaboration Mirrors the Trinity Feb 18 2022 "That they all may be one" was Jesus' first-century prayer. With mind and emotions set towards Golgotha, he poured out his heart to the Father. But what is our twenty-first-century reality? Local churches are siloed. Pastors do not know one another and rarely work together. Christians drive by church buildings on their way to Sunday worship and seldom pray for one another. Vitriolic disunity spews across social media in front of an onlooking world. Our culture sees our fractured reality and increasingly dismisses Christianity as a viable option for their lives. And it is time for believers to recognize that it is our fault. But there is hope! When Collaboration Mirrors the Trinity is a timely invitation for local churches to make the practice of unity our new normal. Avery Stafford presents a biblical model to actualize this invitation. He details four rhythms that mirror the loving community of the Triune God. Each one can help pastors, lay leaders, and faith communities deepen their resolve to bless the world through effective gospel partnerships. This work is a bold call for believers to discover an untapped resource for the gospel--the believers who attend other churches in their city.

Navigating Grace May 09 2021 A moving illustration of the power of grace to elevate us during troubling times, Jeff Jay offers a soulful account of his solo sailing journey that turned into a battle for survival on the open sea. Jeff Jay ' s recent life was full of tragedy: his marriage had ended, his father had passed away, his brother had committed suicide, and Jeff ' s own alcoholism had taken him to the edge of death. In his desire for a fresh start, Jeff set out on a solo adventure by sea on an old sloop named Lifeboat. It ultimately became a journey of personal transformation. He cast off in Annapolis, Maryland with an eye toward the Caribbean. Finally able to breathe, Jeff relaxed into his first day sailing the Atlantic when a dark winter storm descended, tossing him into a week-long fight for survival on the open sea. As he faced the realization that only divine intervention could deliver him from certain death, Jeff desperately called on the deity that had intervened in the darkest hours of his addiction years earlier. An intensely personal testimony to calling on the power of grace in our darkest hours, Jeff ' s is a beautifully written tale of far-fetched dreams, desperate prayers, and those miraculous moments that change our lives forever.
