I Talk Back to the Devil Oct 29 2022 "The highest that can be said of any creature is that it fulfilled the purpose for which God made it." — A. W. Tozer What is holding you back from being all God wants you to be? Are you still holding on to past sins? Do memories of your spiritual failures haunt

you? Or maybe you want to stay in control and not become one of those "fanatical" Christians? Tozer says, "It is one of the devil's oldest tricks to discourage the saints by causing them to look back at what they were." Indeed, Satan has been in the business of intimidating and deceiving the people of God for a very long time. Tozer himself felt attacked by the devil even as he prepared the sermons distilled into this book. But as we press toward maturity in Christ, we are armed with great strength to engage in battle with that great Adversary. We can stand up to the Devil and shout "I am a child of God! I will not take this any longer, and I remind you that the forgiveness and cleansing I have freely received comes from Jesus Christ!" You can talk back to the Devil, but will you?

**Don't Talk Back To Your Vampire** Sep 28 2022 A single mom gets a tasty bite of undead romance in the second novel in the Broken Heart series. Ever since a master vampire became possessed and bit a bunch of parents, the town of Broken Heart, Oklahoma, has catered to those of us who don't rise until sunset—even if that means PTA meetings at midnight. As for me, Eva LeRoy, town librarian and single mother to a teenage daughter, I'm pretty much used to being "vampified." You can't beat the great side effects: no crow's-feet or cellulite! But books still make my undead heart beat—and, strangely enough, so does Lorcan the Loner. My mama always told me everyone deserves a second chance. Still, it's one thing to deal with the usual undead hassles: rival vamps, rambunctious kids adjusting to night school, and my daughter's new boyfriend, who's a vampire hunter, for heaven's sake. It's quite another to fall for the vampire who killed you...

**Daughter Zion Talks Back to the Prophets** Feb 21 2022 Daughter Zion Talks Back to the Prophets offers a new theological reading of the book of Lamentations by putting the female voice of chapters 1-2 into dialogue with the divine voice of prophetic texts in which God represents the people Israel as his wife and indicts them/her for being unfaithful to him. In Lam 1-2 we hear the "wife" talk back, and from her words we get an entirely different picture of the conflict showcased through this marriage metaphor. Mandolfo thus presents a feminist challenge to biblical hegemony and patriarchy and reconstructs biblical authority to contribute to the theological concerns of a

postcolonial world.

*Talking Back to Shakespeare* Aug 27 2022 "This book is about the way in which Shakespeare's plays have inspired readers to "talk back" and about some of the forms such talking back can assume. It is also about the way different interpretive communities, including students, read their cultural, political, and moral assumptions into Shakespeare's plays, appropriating and transforming elements of plot, character, and verbal text while challenging what they see as the ideological premises of the plays. Texts that talk back to Shakespeare pose questions, offer alternatives, take liberties, and fill in gaps. Some of the transformations discussed in Talking Back to Shakespeare challenge deeply held assumptions such as, for instance, that Hamlet is a tragic hero and Shylock a stereotypical grasping usurer. Others invent prior or subsequent lives for Shakespeare's characters (women characters in particular) so as to account for their actions and imagine their lives more fully than Shakespeare chooses to do. Very few of these works have received much critical attention, and some are virtually unknown or forgotten." "Rather than a comprehensive study of Shakespeare transformations, Talking Back to Shakespeare is an innovative exploration of the kinship between the kind of talking back that occurs in the classroom and the kind to be found in texts produced by writers who "rewrite" some of Shakespeare's most frequently taught and performed plays. Such re-visioning unsettle the cultural authority of the plays and expose the accumulated lore that surrounds them to probing, often irreverent scrutiny." "Much of the talking back comes from marginalized readers: women, like Lillie Wyman, author of Gertrude of Denmark: An Interpretive Romance, and other nineteenth-century women critics, or Jewish writers, like Arnold Wesker, whose play The Merchant transforms the relationship between Antonio and Shylock. Some talking back comes from an

international collection of oppositional voices of the 1960s, including Charles Marowitz, Aime Cesaire, Eugene Ionesco, and Joseph Papp. Talking Back to Shakespeare ranges from popular books like the recent Pulitzer Prize-winning novel A Thousand Acres by Jane Smiley to obscure, seldom-read ones like Percy MacKaye's ambitious four-play prequel, The Mystery of Hamlet, King of Denmark. What these published texts share with student journal entries and transformations is the assumption, familiar to postmodern readers, that Shakespeare's plays are essentially unstable, culturally determined constructs capable of acquiring new meanings and new forms. By bringing together these two kinds of "talking back," Rozett challenges the traditional separation between critical and pedagogical inquiry that has until recently dominated English studies."--BOOK JACKET.
