Blood Rites Jul 16 2021 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry's had worse assignments than going undercover on the set of an adult film. Dodging flaming monkey poo, for instance. Or going toe-to-leaf with a plant monster. Still, there's something troubling about this case. The Producer believes he's afflicted by an entropy curse - but it's the women around him who are dying. And Harry only got involved as a favour to Thomas, his flirtatious self-absorbed vampire acquaintance. Thomas has a personal stake in the case Harry can't work out, until his investigation leads him straight to Thomas's oversexed relatives. Harry's about to discover the skeleton in Thomas's family closet: a revelation that will change Harry's life for ever. Magic - it can get a guy killed.

Battle Ground May 02 2020 THINGS ARE ABOUT TO GET SERIOUS FOR HARRY DRESDEN, CHICAGO'S ONLY PROFESSIONAL WIZARD, in the next entry in the No. 1 New York Times and No. 1 Sunday Times bestselling Dresden Files. Harry has faced terrible odds before. He has a long history of fighting enemies above his weight class. The Red Court of vampires. The fallen angels of the Order of the Blackened Denarius. The Outsiders. But this time it's different. A being more powerful and dangerous on an order of magnitude beyond what the world has seen in a millennium is coming. And she's bringing an army. The Last Titan has declared war on the city of Chicago, and has come to subjugate humanity, obliterating any who stand in her way. Harry's mission is simple but impossible: Save the city by killing a Titan. And the attempt will change Harry's life, Chicago, and the mortal world forever.

Cold Days May 26 2022 You can't keep a good wizard down - even when he wants to stay that way. For years, Harry Dresden has been Chicago's only professional wizard, but a bargain made in desperation with the Queen

of Air and Darkness has forced him into a new job: professional killer. Mab, the mother of wicked faeries, has restored the mostly-dead wizard to health, and dispatches him upon his first mission - to bring death to an immortal. Even as he grapples with the impossible task, Dresden learns of a looming danger to Demonreach, the living island hidden upon Lake Michigan, a place whose true purpose and dark potential have the potential to destroy billions and to land Dresden in the deepest trouble he has ever known - even deeper than being dead. How messed up is that? Beset by his new enemies and hounded by the old, Dresden has only twenty four hours to reconnect with his old allies, prevent a cataclysm and do the impossible - all while the power he bargained to get - but never meant to keep - lays siege to his very soul. Magic. It can get a guy killed.

Fool Moon Nov 19 2021 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Business has been slow lately for Harry Dresden. Okay, business has been dead. Not undead - just dead. You would think Chicago would have a little more action for the only professional wizard in the phone book. But lately, Harry hasn't been able to dredge up any kind of work - magical or mundane. But just when it looks like he can't afford his next meal, a murder comes along that requires his particular brand of supernatural expertise. A brutally mutilated corpse. Strange-looking paw prints. A full moon. Take three guesses. And the first two don't count . . . Magic - it can get a guy killed. Harry Dresden is a man on the edge--and that is something that can be dangerous to friend and foe alike. He's been drafted by a senior member of the White Council of Wizards to investigate a series of murders in rural Mississippi. As always, there's more afoot than is immediately apparent. Dead Beat Oct 19 2021 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Luckily, however, he's not alone. Although most people don't believe in magic, the Chicago P.D. has a Special Investigations department, headed by his good friend Karrin Murphy. They deal with the . . . stranger cases. It's down to Karrin that Harry sneaks into Graceland Cemetery to meet a vampire named Mavra. Mavra has evidence that would destroy Karrin's career, and her demands are simple. She wants the Word of Kemmler - and all the power that comes with it. But first, Harry's keen to know what he'd be handing over. Before long he's racing against time, and six necromancers, to get the Word. And to prevent a Halloween that would truly wake the dead. Magic - it can get a guy killed.

Proven Guilty Jan 10 2021 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry has no friends on the White Council of Wizards, who find him brash and undisciplined (and they may have a point). However, now vampire wars have thinned out the wizards a little, they need him. So before he can blink, he's assigned to investigate rumours of black magic. Harry's other problem is an old friend's daughter - all grown-up and in trouble already. Her boyfriend insists he's innocent of something resembling a crime straight out of a horror film. This first impression turns out to be . . . well, pretty accurate, as Harry discovers malevolent entities feeding on fear. All in a day's work for a wizard, his dog, and a talking skull named Bob. Magic - it can get a guy killed.

Summer Knight Aug 05 2020 In the fourth novel in the #1 New York Times bestselling series featuring everyone's favorite wizard for hire, Harry Dresden is suckered into the tangled—and dangerous—affairs of Faerie... Ever since his girlfriend left town to deal with her newly acquired taste for blood, Harry Dresden has been down and out in Chicago. He can't pay his rent. He's alienating his friends. He can't even recall the last time he took a shower. The only professional wizard in the phone book has become a desperate man. And just when it seems things can't get any worse, in saunters the Winter Queen of Faerie. She has an offer Harry can't refuse if he wants to free himself of the supernatural hold his faerie godmother has over him—and hopefully end his run of bad luck. All he has to do is find out who murdered the Summer Queen's right-hand man, the Summer Knight, and clear the Winter Queen's name. It seems simple enough, but Harry knows better than to get caught in the middle of faerie politics. Until he finds out that the fate of the entire world rests on his solving this case. No pressure or anything...

Side Jobs Aug 17 2021 Harry is the best and technically the 'only' at what he does, being the lone professional wizard PI in the Chicago phonebook. So when the Chicago PD has cases that transcend mortal capabilities, they come to him for answers. For the 'everyday' world is actually full of strange and magical things - and most of them don't play well with humans. Yet despite his precautions, Harry tends to stumble from crisis to drama in his dealings with the supernatural world - call it an occupational hazard. Here, he unfailingly manages to get on the wrong side of werewolf, fae and vampires alike. And that's where his own rather special powers come into play . . . These bite-sized stories are tremendously entertaining and will leave you itching to explore more of Harry Dresden's world. And as well as eight short stories, this collection will include an all-new Dresden Files novella.

Death Masks Jul 04 2020 Meet Harry Dresden, Chicago's first (and only) Wizard P.I. Turns out the 'everyday' world is full of strange and magical things - and most of them don't play well with humans. That's where Harry comes in. Harry Dresden should be happy that business is good - makes a change. But now he's getting more than he bargained for: a duel with the Red Court of Vampires' champion, who must kill Harry to end the war between

vampires and wizards; professional hit men using Harry for target practice; the missing Shroud of Turin (less missing than expected) and a headless corpse the Chicago police need identifying . . . Not to mention the return of Harry's ex-girlfriend Susan, still struggling with her semi-vampiric nature. And who seems to have a new man. Some days, it just doesn't pay to get out of bed. No matter how much you're charging. Magic - it can get a guy killed.
