[Starfinder Adventure Path: The Last Refuge \(Attack of the Swarm 2 of 6\)](#) May 29 2020 Fleeing a world consumed by the ravenous, alien Swarm, the heroes and a handful of desperate survivors limp toward the nearest colony world in a newly acquired starship. After thwarting a mutiny, they reach a large metropolis, where tensions are high. Local fanatics claim the oncoming Swarm is a punishment for the system's sins, disrupting the military's efforts to take in refugees. Worse, a series of caverns below the city that provide the only refuge from inevitable invasion are far from unoccupied, and must be cleared out before time runs out! "The Last Refuge" is a Starfinder Roleplaying Game adventure for four 3rd-level characters. This adventure continues the Attack of the Swarm! Adventure Path, a six-part, monthly campaign in which the heroes fight back against a ruthless and nigh-unstoppable alien invasion. This adventure also includes an early history of the Swarm-spawned shirren race, an exploration of biomechanical starships, and a selection of new Swarm monsters and other harrowing threats. Each monthly full-color softcover Starfinder Adventure Path volume contains a new installment of a series of interconnected science-fantasy quests that together create a fully developed plot of sweeping scale and epic challenges. Each 64-page volume of the Starfinder Adventure Path also contains in-depth articles that detail and expand the Starfinder campaign setting and provide new rules, a host of exciting new monsters and alien races, a new planet to explore and starship to pilot, and more!

[Attack on Titan: Kuklo Unbound](#) Apr 27 2020 A prequel to the blockbuster Attack on Titan series, Before the Fall is a three volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of Before the Fall are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection we are introduced to a new character Kuklo was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kyklo despite his horrible beginnings and a single-functioning eye also seems to grow unnaturally fast. He parts himself from his past and gambles on the fate of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kyklo survives and thrives. But to accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kyklo, he fights the titans. Whether it is because it is his fate to fight them, or it is because of his past, he fights against them.

[Attack on Titan: Before the Fall 8](#) Nov 22 2019 WAITING IN THE DARK Kuklo heads to Shiganshina District to test the new model of the Device, while Sharle anxiously awaits his return at Xenophon's workshop. But long after Kuklo's expected date of return, there is still no sign of him... Meanwhile, an anti-government group carries out a plan in the Industrial City, where Sharle works. Little do they know, Xavi has infiltrated the mission on orders from above.

[Positive Pressure Attack for Ventilation & Firefighting](#) Apr 20 2022 In the past decades, lightweight building construction methods and the use of manmade materials in construction and furnishings have become more and more common. The time until structural failure can be expected in a fire has been reduced, and firefighters have seen hotter fires that generate high levels of deadly gasses. But the ventilation methods used by modern firefighters have not kept pace. Positive pressure was first used in the fire service to ventilate a structure after the fire was knocked down. Authors Kriss Garcia and Reinhard Kauffmann have taken positive pressure a step further to achieve effective ventilation in coordination with aggressive fire attack, called positive pressure attack (PPA). Properly used PPA allows firefighters great control over the interior environment of a fire building, and starts at the earliest stages of the operation when ventilation can provide the greatest benefit for victims, firefighters, and the structure. With a small investment in equipment and a commitment to training, any fire department can implement PPA at the company level. Subjects covered in this book include: • Basics of positive pressure and how to maximize its effectiveness for fireground ventilation. • PPA: how effective ventilation can be coordinated to support an aggressive fire attack. • Safety considerations and limitations of PPA and positive pressure. • Other ways positive pressure blowers can be used to help victims and firefighters in a variety of situations. • Implementing PPA on a department, and how to train each engine company to become its own firefighting force that can accomplish both ventilation and fire attack. In the past decades, lightweight building construction methods and the use of manmade materials in construction and furnishings have become more and more common. The time until structural failure can be expected in a fire has been reduced, and firefighters have seen hotter fires that generate high levels of deadly gasses. But the ventilation methods used by modern firefighters have not kept pace. Positive pressure was first used in the fire service to ventilate a structure after the fire was knocked down. Spook Jan 25 2020 Spook: Atemlose Spannung garantiert! Tom Ward ist im dritten Lehrjahr bei Geisterjäger Spook, als er seinem Meister nach Anglezarke folgt. Bedrohlich wirkt das Zuhause des Spook schon von aussen, doch was Tom in seinem Inneren erwartet, verschlägt ihm den Atem: Der Spook hat etwas zu verbergen! Doch was lange verborgen war, drängt umso mächtiger ans Tageslicht und prompt geht Spook der Hexe Meg in die Falle. Nun muss Tom des Meisters Haut retten ... Mit Bonusmaterial: Tom Wards geheimes Tagebuch. Not to be read after dark! Mit grandios-gruseligen Innenillustrationen Joseph Delaney unterrichtete Medien- und Filmwissenschaften. 'Spook - Der Schüler des Geisterjägers' war sein erstes Buch. Heute lebt er mit seiner Familie in Lancashire, mitten im Land der Boggarts! Die Inspiration zu seinen Geschichten bezieht Joseph Delaney meist aus alten Geistergeschichten und -legenden der dortigen Gegend.

Attack of the Denebian Starship Oct 22 2019 The Daystar Space Rangers face a new challenge when they go to the planet Makon, where the Denebians are planning to seize a rare mineral with remarkable qualities.

Attack of the Underwear Dragon Jun 10 2021 Brave knights, fire-breathing dragons, and underwear -- every kid's favorite things in one paperback picture book illustrated by #1 New York Times bestselling artist Pete Oswald! Cole's wish comes true when he becomes an Assistant Knight to Sir Percival, his favorite Knight of King Arthur's Round Table. Cole learns how to ride a horse, swing a sword, cheer for Sir Percival when he goes to battle, and bandage his boo-boos when the battle is over. Cole loves practicing every skill a Knight-in-Training must master and he is determined to be granted knighthood. Sir Percival is a great knight in every way, except for one thing: He is terrified that an Underwear Dragon will come and destroy the kingdom. But when the unthinkable happens, Cole is the only knight left standing (and just an assistant knight at that!) Cole must use all of his newly acquired skills to battle the fearsome dragon and avoid a catastrophe. Luckily, an unfortunate underwear mishap changes everything and Cole triumphs in this hilarious and triumphant tale! Kids will recognize themselves in our pint-sized hero.

Attack of the Drones Jul 19 2019 Zak Nine and Erro have escaped! But now they find themselves lost in a vast forest of alien birds and deadly plants. Things grow even worse when they hear strange buzzing sounds just above the treetops attack drones! The prison guards are searching for the boys using a flock of remote bots, armed with flame-throwers and sleeping gas! Will the boys outwit the bots and find a way off Planet Alcatraz? The exotic flora and fauna just might provide a solution to the high-tech hazards hunting our heroes.

Attack of the Vyperians Sep 25 2022 2015 San Francisco Book Festival Honorable Mention! Flying saucers! Rampaging monsters! Genetically modified super geniuses! Forbidden love between a pop singer and her alien romance! It's Attack of the Vyperians in thrilling 2-D! When a race of alien octopuses arrives to "befriend with benefits" Earth's women, a motley collection of humans find themselves thrown into a war zone of giant monsters, ancient enemies, and horny interplanetary beings that just can't keep their tentacles to themselves. James "Crash" Jefferson - Cable TV adventure show host. Egomaniac. Emmy award winner. Irresponsible lover. The only person banned from South Africa for choking a giraffe to death during a Make-A-Wish trip, Crash is his own biggest advocate and worst enemy at the same time. Pulled across the planet by forces he doesn't understand, Crash does what Crash does best - swing hard and let others clean up the mess. Jennica! - As a global pop music superstar, Jennica! secretly wishes for nothing more than to wrest control of her own life from those that want only to use her as a pawn to profit from. Unfortunately, the exact opposite happens yet again as she becomes the vessel of choice for the Vyperians' devious plan. Dr. Frank Faraday - Pushed from childhood to be the next super-genius scientist extraordinaire, Frank Faraday received his first PhD at age 20 and then subsequently surprised everyone around him by disappearing off the grid. For the first time in his life, Dr. Faraday had a taste of freedom as he left the stresses and pressures of his past life behind him. Until, that is, a secret organization made him an offer he should have refused. A science fiction comedy born from a love of the golden age of ridiculously awesome monster movies, "Attack of the Vyperians" will capture your attention from the first page and keep it all the way to the second. Uh, end. I meant end. How do I go back? How do I edit? Hello?

Professional Journal of the United States Army Apr 08 2021

Stink and the Attack of the Slime Mold Sep 13 2021 Aaagh! Crawl slowly for your lives! Stink kicks off his second decade with a super-funny homage to an oozy-goozy organism. Glip! Glop! Gloop! What looks like dog vomit, smells like a corpse flower, and stars in one of the scariest movies Stink Moody has ever seen? Is it the Blob? The Glob? Son of Glob? No, it's . . . slime mold! Stink may be a super science geek, but even Dr. Stinkelstein is feeling freaked out about having a slime mold living and growing in his very own room. At Saturday Science Club, Stink learns that these one-celled organisms are smart enough to find their way out of mazes and gang up on food sources — so who says they aren't smart enough to take over Stink's pets, Stink's room, Stink himself, and . . . the world? Vintage horror flicks meet classic Star Trek episodes as a wary Stink (with some help from Dr. Judy Moody) comes to know and love an unusual new pet in a hilarious adventure that sneaks in factoids and comics at each chapter's end.

Or will they get themselves in more outrageous trouble in this new zany Minecraft adventure?

Attack of the Man-Bat! May 09 2021 In the rainforests of Brazil, there's trouble in the local villages--and Batman is on the case!

Attack and Counterattack in Chess Dec 24 2019 Fred Reinfeld's timeless Attack and Counterattack in Chess starts with the basic premise that White plays to build on the natural initiative that is inherent in having the first move, while Black plays to sap White's divine right to this initiative, only to take it over the moment it is possible. The book is neatly divided into two sections: How White manages to make good use of his right to the first move by taking advantage of typical mistakes by Black, and how Black succeeds in challenging that right and taking over the initiative by jumping on blunders by White. There are several points to keep in mind as you peruse the games involved. The first is that this is not an opening book. The examples of play are all built around a complete chess game that came to a logical conclusion based on one player's muffs and the other player's exploitation of those errors. The other point is that the poor moves that are taken advantage of were to some extent based on carelessness or inattention or lack of knowledge but were also set up on purpose by the winning player. The first seven chapters cover how to control the center; how to exploit superior mobility; how to exploit Black's premature opening of the position; how to exploit Black's premature counterattack; how to exploit Black's weakening pawn moves; how to exploit Black's errors of judgement; and how to exploit irregular defenses. All these subjects are covered by a close look at a chess game in which the bungles are followed by their natural punishment. The last five chapters look at how to seize the initiative as Black; how to play against gambits; how to defend against a powerful attack; how Black can seize the attack; and how to exploit unusual openings. Again, each topic unfolds during a chess game with faulty play by White and its logical destruction by Black. Develop and improve your attacking/counterattacking skills with the 21st-century edition of Reinfeld's Attack and Counterattack in Chess!

The History of the King's Regiment (Liverpool), 1914-1919 Dec 04 2020

The Attack of the Plants: A Branches Book (the Magic School Bus Rides Again) Oct 02 2020 Buckle your seatbelts! US Army in WW II: European Theater of Operations, Cross Channel Attack (Paperback) Jan 17 2022

Attack and Counterattack Dec 16 2021 It is 1842—a dramatic year in the history of Texas-Mexican relations. After five years of uneasy peace, of futile negotiations, of border raids and temporary, unofficial truces, a series of military actions upsets the precarious balance between the two countries. Once more the Mexican Army marches on Texas soil; once more the frontier settlers strengthen their strongholds for defense or gather their belongings for flight. Twice San Antonio falls to Mexican generals; twice the Texans assemble armies for the invasion of Mexico. It is 1842—a year of attack and counterattack. This is the story that Joseph Milton Nance relates, with a definitiveness and immediacy which come from many years of meticulous research. The exciting story of 1842 is a story of emotions which had simmered through the long, insecure years and which now boil out in blustery threats and demands for vengeance. The Texans threaten to march beyond the Sierra Madres and raise their flag at Monterrey; the Mexicans promise to subdue this upstart Texas and to teach its treacherous inhabitants their place. With communications poor and imaginations fertile, rumors magnify chance banditry into military raids, military raids into full-scale invasions. Newspapers incite their readers with superdramatic, intoxicating accounts of the events. Texans and Mexicans alike respond with a kind of madness that has little or no method. Texas solicits volunteers, calls out troops, plans invasions, and assembles her armies, completely disregarding the fact that her treasury is practically empty—there is little money to buy guns. Meanwhile, in Mexico, where gold and silver are needed for other purposes, “invasions” of Texas are launched—but they are only brief forays more suitable for impressive publicity than for permanent gains. Still, the conflicts of threat and retaliation, so often futile, are frequently dignified by idealism, friendship, courage, and determination. Both Mexicans and Texans are fighting and dying for liberty, defending their homes against foreign invaders, establishing and maintaining friendships that cross racial and national boundaries, struggling with conflicting loyalties, and—all the while—striving to wrest a living for themselves and their families from the grudging frontier. Attack and Counterattack, continuing the account which was begun in After San Jacinto, tells from original sources the full story of Texas-Mexican relations from the time of the Santa Fe Expedition through the return of the Somervell Expedition from the Rio Grande. These books examine in great detail and with careful accuracy a period of Texas history that had not heretofore been thoroughly studied and that had seldom been given unbiased treatment. The source materials compiled in the notes and bibliography—particularly the military reports, letters, diaries, contemporary newspapers, and broadsides—will be a valuable tool for any scholar who wishes to study this or related periods.

End of the World Jul 31 2020 Attack on Titan End of the World is the adaptation of the 2015 Japanese film based on the manga of the same name. In the novel Eren Yeager, and his childhood friend Armin Arlert, join the Survey Corps, a military corporation to fight gigantic humanoids called the Titans after their hometown is attacked by a Colossal Titan.
