The Hertzler-Hartzler Family History Sep

26 2022 Jacob Hertzler was born in 1703 in

Switzerland, possibly in Canton Berne where he

and his ancestors were members of the Amish Mennonite Church. He died in 1786 near Hamburg, Berks Co., Pennsylvania. His first wife died in Switzerland. His second wife, was Catherine Ruegy. Their children were born in Switzerland and the Palatinate, then a part of France. Jacob, his second wife Catherine Ruegy and their family emigrated from Switzerland to America in 1749. They eventually settled in Berks County, Pennsylvania. Descendants and relatives lived in Pennsylvania, Ohio, Missouri, Michigan, Maryland, Iowa, Indiana, Illinois, Connecticut, Colorado, California and

elsewhere.

Heart Failure in the Child and Young Adult Jul

12 2021 *Heart Failure in the Child and Young*

Adult: From Bench to Bedside combines

multiple etiologies for pediatric heart failure,

including congenital heart disease,

cardiomyopathies, infectious diseases and

metabolic abnormalities. This comprehensive

resource combines research from multiple

contributors with current guidelines to bridge the knowledge gap for the recognition and management of heart failure in children. Coverage begins with the basic science of heart failure, then progresses through diagnosis, management, treatment and surgery, finally concluding with advanced special topics, including genetics, self-management and nanomedicine. Provides coverage of the basic science of heart failure, its epidemiology and economic aspects, outpatient and inpatient management, and advanced therapies, including mechanical circulatory support and heart transplantation Combines cutting-edge research with current guidelines from the field

Robert E. Sherwood Jan 06 2021 "In this book, Harriet Hyman Alonso unravels Sherwood's inner struggle and portrays his political journey. Relying largely on his letters, diaries, plays, films, essays, and biography of Roosevelt and Harry Hopkins, she traces Sherwood's obsession with the world of politics and its effects on his life and art, from his experience as a soldier in World War I to the Cold War. She also describes his participation in the Algonquin Round Table, his friendships and working relationships with such notables as Alfred Lunt, Lynn Fontanne, Edna Ferber, Spencer Tracy, Harry Hopkins, and Franklin D.

Spencer House Aug 21 2019 "Spencer House is one of the great architectural landmarks of London. Built in the eighteenth century by John, 1st Earl Spencer, an ancestor of the Princess of Wales, it was immediately recognized as a building of major importance and is today the most complete surviving example of its kind, the great London mansions of the nobility and gentry having largely been demolished. Under the direction of its current occupants, the J. Rothschild group of companies, the house has recently been the object of one of the most ambitious restoration projects to be undertaken this century and the state rooms are now open to the public." "In this first in-depth study, Joseph Friedman highlights the unique importance of the building and argues that the great London mansion was no less significant than the country house in shaping the architectural, social and political history of England. He documents the history of Spencer House from its construction to the present day, and examines the revolutionary work of its architects: John Vardy, whose designs for the exterior and ground floor mark the evolution

from Palladianism towards a Neo-Classicism inspired by the architecture of ancient Rome, and James 'Athenian' Stuart, who pioneered the use of Greek architectural ornament in the decoration of the first-floor rooms." "At a deeper level, the author argues that Spencer House has much to teach us about the all-embracing role of the architect in the eighteenth century, and the importance of symbolism, metaphor and allegory. By tracing the sources of the building's design he sheds new light on the philosophy and methodology of eighteenth-century English architecture, and attitudes towards the art and architecture of the past. The successive owners of the house are chronicled, beginning with a history of the Spencer family, in particular John, 1st Earl Spencer, and culminating in a discussion of the conditions which led to the letting of the house and the eventual sale of the lease to the J. Rothschild group. The survey concludes with a detailed account of the restoration and the ingenious ideas which guaranteed its success." "The book is illustrated throughout with sumptuous interiors, architectural drawings and details, portraits and maps."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
