The Question to Life's Answers Jul 24 2022 In this original and inspiring work, best-selling author Steven Harrison lays bare the workings of the mind and spirit with brilliant clarity and proposes a new way of living our lives with a fresh spirituality that is beyond belief. Grappling with the questions we all have about life, he deconstructs the prevailing spiritual, therapeutic, and self-help methods we use to try to change ourselves. By taking this journey of exploration with him, we come face-to-face with the unknown and the potential for radical transformation. The book asks: How do we apply our spiritual understanding to our daily lives? The author examines our ideas and conditioning regarding spiritual power, enlightenment, emptiness, time, therapy, relationships, work, money, children, and community. Harrison reminds us that even as we 'do something' in our busy lives, we have the natural capacity to find stillness in the midst of action. Harrison suggests that our "life must be based on something more substantial, grounded, and connected than the conceptual self."

Ultimately people are looking for some form of gain, adventure, fulfilment, enjoyment or challenge, and this may be expressed as a search for the answer to a worthwhile life and this book points the way to it. [63] It includes how to get the best out of life, or make a new start, and shows the steps to be taken using a personal, not formal approach. However, many others make the above claims, but the pathway given here is progressive, offers positive hope and security, and is based on the Christian Faith. [54] [117] The second part of the book provides backing for the earlier claims and goes much further by taking a detailed look at the Christian Faith using biblical scriptures, notes and quotations to explain the main elements of the Faith. It assumes no prior knowledge and avoids jargon. (47) [164]
