Canarytown City of Grief Nov 27 2019 A police detective pursues a serial killer stalking the streets of a south Chicago neighborhood and learns that what first

looked to be random murders are not random at all. It's urban Chicago circa 1995, and a street-savvy police detective, Kyle McNally, has the lead on a task force following the trail of an interstate serial killer. The investigation tracks McNally and his antagonist, appropriately tagged "Slugger," through a maze of suspects, political conspiracies, and unconscionable human greed. Time is against McNally, and with each new victim, the heat on him from his commander increases. The story exudes a noir detective aura populated by a supporting cast of criminals, cohorts, and dark city scenes that will strike a familiar chord with crime detective story enthusiasts. With the capture, interrogation, and disappointing release of each new suspect, McNally's frustration and desperation deepens. He must overcome the loss of two partners and his own personal demons before he can crawl inside the killer's head and solve the case. During the investigation, he meets a feisty but attractive medical examiner, Dr. Mykel Hartley, with a reputation as a man hater. After overcoming their early dislike for each other, a relationship develops between them. But it is Dr. Hartley's own secret past that may ultimately hold the identity of the evil genius, the Slugger. Dead Heat Aug 05 2020 Ranger Jo Lockwood is often alone in the wilderness, and she likes it that way - until she discovers the body of a man, brutally murdered. Award-winning romantic suspense from Bronwyn Parry. Favourite Romantic Suspense Novel, 2012 (Australian Romance Readers Association) Romantic Suspense Finalist (Romance Writers of America, RITA Awards) The national parks where Ranger Jo Lockwood works, on the edge of the New South Wales outback, are untamed stretches of dry forest cut through with wild rivers. She's often alone, and she likes it that way - until she discovers the body of a man, brutally murdered, in a vandalised campground. Detective Senior Sergeant Nick Matheson knows organised crime and gang violence from the inside out. He's so good at undercover work that his colleagues aren't sure which side he's really on. His posting to Strathnairn is supposed to be a return to normal duties, but the murder victim in the campground is only the first of Jo's discoveries. As Jo and Nick uncover drugs and a stash of illegal weapons, the evidence points towards locals - young men already on the wrong side of the law. But as far as Nick's concerned, it doesn't add up. When the body count starts mounting - each brutally punished before death - he becomes convinced that one person is behind the killings, one person is manipulating the men to commit horrific crimes, forming them into his own private drug-dealing cartel. Jo has seen the man's face, and now she's his next target. Nick's determined to protect her, but trapped in the rugged outback he and Jo will have to act quickly if they are going to survive. Book 1 in the riveting Goodabri series. **STORM CLOUDS** is Book 2; **SUNSET SHADOWS** is Book 3. ****INCLUDES BONUS CHAPTERS of STORM CLOUDS and SUNSET SHADOWS**** Praise for Bronwyn Parry: 'Loyalty and romance combine with action to make a memorable story.' - WEEKEND AUSTRALIAN [Bronwyn] remains firmly in my autobuy list.' - BOOKTOPIA'S ROMANCE BUZZ

Web of Crime Aug 17 2021 The cops in Timlook Police Department face new problems as they battle against criminal developers, drug lords, corrupt cops, American Nazis, and vigilantes. And again, Detectives Dave Bradley, James Mitchell and Nicole Lamenski fight for justice from the rough neighborhood of Timlook to the rural farmlands of Pennsylvania State and then to the swampy Everglades of Florida. Dave and Jim have to protect Dave's Quaker family from

ruthless developer Jake Knox, and later assist Nicole in her vendetta against Nazi leader Martin Kolchak after she witnesses two brutal murders. John Reynolds experiences a tortured conscience after accidentally shooting a young boy, and Melissa Morgan searches for ex-boyfriend Dale Manuchi before both cops are on the run from corrupt police. H.A.L.O Mar 31 2020 When orders came through for David Lockhart to gather his team together for another top-secret mission, he thought nothing of it. It came from the proper source, within proper channels, encoded with the latest series of ciphers. Everything seemed in order. It was not. The mission was a one-way ticket to oblivion and the ambush MESA walked into took every life of the team. All except one. Yup, you guessed it. David Lockhart managed to shoot his way out, a combination of skills, training, and a beautiful woman. For the perpetrators of this betrayal of one of the most successful covert teams in American history, David Lockhart's survival was not a good thing. No, it was not a good thing. For now Lockhart was mad. Not the raging, red-faced, out-of-control, irrational type of mad. You see, David Lockhart wasn't like that. His anger was far more dangerous, for his outlet was directed at planning, cold and calculating analysis of what went wrong. Just be certain that revenge would be his.

Executive Firepower Feb 29 2020 In Executive Firepower, David Lockhart holds down a pretty typical job, as a sales manager for a company that supplies an extensive catalog of products. On the surface, there's nothing unusual about David Lockhart. However, when he receives a certain call sign, Lockhart becomes

the team leader of MESA, a Black Ops organization that reports to the Director of the NSA. Only the President of the United States knows of their existence. So, when orders came through for Lockhart to gather his team together for another top-secret mission, he thinks nothing of it. It came from the proper source, within proper channels, encoded with the latest series of ciphers. Everything seemed in order. It was not. The mission was a one-way ticket to oblivion and the ambush MESA walked into took every life of the team. All except one. Yup, you guessed it. David Lockhart managed to survive, rescued by a stunningly beautiful, but mysterious woman assassin. For the perpetrators of this betrayal of MESA, David Lockhart's survival was not a good thing. No, it was not a good thing. For now Lockhart was mad. Not the raging, red-faced, out-of-control, irrational kind of mad. No, you see, David Lockhart wasn't like that. His anger was far more dangerous and revenge would come from anywhere, at any time. For David Lockhart was the best, the very best. A story filled with violent gun battles and torrid sex, all leading to a stunning climax as Lockhart saves the President of the United States.
