Everything and Less Jul 02 2020 Best Book of Fall (Esquire) and a Most Anticipated Book of 2021 (Lit Hub) What Has Happened to Fiction in the Age of Platform Capitalism? Since it was first launched in 1994, Amazon has changed the world of literature. The “Everything Store” has not just transformed how we buy books; it has affected what we buy, and even what we read. In *Everything and Less*, acclaimed critic Mark McGurl explores this new world where writing is no longer categorized as high or lowbrow, literature or popular fiction. Charting a course spanning from Henry James to E. L. James, McGurl shows that contemporary writing has less to do with writing per se than with the manner of its distribution. This consumerist logic—if you like this, you might also like ...—has reorganized the fiction universe so that literary prize-winners sit alongside fantasy, romance, fan fiction, and the infinite list of hybrid genres and self-published works. This is an innovation to be cautiously celebrated. Amazon’s platform is not just a retail juggernaut but an aesthetic experiment driven by an unseen algorithm rivaling in the depths of its effects any major cultural shift in history. Here all fiction is genre fiction, and the niches range from the categories of crime and science fiction to the more refined interests of Adult Baby Diaper Lover erotica. *Everything and Less* is a hilarious and insightful map of both the commanding heights and sordid depths of fiction, past and present, that opens up an arresting conversation about why it is we read and write fiction in the first place.

The Storm Inside Box Set Jan 08 2021 Get all four books in the Storm Inside series! This box set includes *The Storm Inside*, *Reflected in the Rain*, *When Lightning Strikes*, and *Never Let Go*. *** Happily ever after is just the beginning. The real love story is the fight to stay together... *The Storm Inside* Thunderstorms, baseball, and memories... They make for a potent combo. At least they do for me, especially when they come in the shape of Jake Spencer. He's the one that got away, the man who taught me thunderstorms were an aphrodisiac and baseball was foreplay. My memories of him are my most treasured...and the ones that haunt me the most. So when he returns to town sexy, successful, and with eyes only for me, I'm torn. Do I give in to my desire and risk losing him, and my heart, all over again? Oh, who am I kidding? I've always loved him and I probably always will. Get cozy and let me tell you the story of what happens when you give the love of your life a second chance. *Reflected in the Rain* Do. Not. Mess. With. My. Man. It won't end well. I promise. I've waited too long and fought too hard to get my happily ever after. We had a wedding to prepare, a honeymoon to enjoy, and a life to plan. No one would be stupid enough to get in our way. Or so I thought. Color me surprised when Jake's ex wiggled her way back into our lives. She says it's just business, but I'm not taking any chances. We put the past behind us when I accepted Jake's proposal and I'm not afraid to shove it back where it belongs. I will do whatever it takes to protect my life with Jake, even if it means playing dirty. *When Lightning Strikes* Single working mother seeks one-night stand that won't interfere with her busy life. Sounds like a disaster waiting to happen, right? And yet, I somehow I managed to get talked

into it. Not that Greg was bad in bed. He was phenomenal, actually. And so much more than sex. He was sweet and fascinating... and I'd never see him again. Or so I thought. Somehow this man I'd never met before kept reappearing in my life at all the right times... Grumpy workaholic seeks meaningless sex because he's too haunted by his past for anything more. The one time I broke my rules and brought a woman home was the mistake that changed my life. Marie wanted a simple one-night stand. I wanted a bed and a few hours to properly indulge our chemistry. Everything was perfect until I realized exactly who she was and how very connected we actually were. Or how much that connection meant to me. Love seeks a second chance Our chemistry was off the charts, but Greg's heart had already been so completely broken and I had a kid to raise. There were bigger forces to worry about. I never expected my wild night out to be anything more than an indulgence, but now that I've had a taste of Greg, I'm not sure I can settle for anything less than all of him. Never Let Go Love isn't easy. If there is one thing I've learned, that's it. Love doesn't last because it's perfect or fate, it's because two people decided to fight for it. They hold on tighter than anyone else when times get tough. And right now, times are really tough. It's a good thing I have a strong grip. We've been sucked into a world filled with politics and appearances. It's triggered silent demons that Jake thought he'd beaten long ago, and running from them isn't an option this time. We're in this together. We've already lost a decade, I'm not losing another minute.

The Storm Lord Trilogy Box Set Sep 23 2019 The Storm Lord Trilogy Box Set (The Complete Series Books 1-3): An Epic Paranormal Romance "When it is time for two souls to meet, there's not one single thing on earth which can prevent them from getting together, no matter where each are located, even if it comes in the form of a black panther that's 200 years old!" Book 1: The Flaming Blue Sword Angelica Thompson, an award-winning romance novelist, decides to end her turbulent relationship back home in Denver and heads to a secluded spot on the shores of Black Rock Cove in Oregon. Writer's block is preventing her from finishing her last novel in her paranormal romance series and is being pressured by her publisher, BeeBop Publishing, to finish by the end of the summer. She discovered the first night of her arrival how vividly her mind's thoughts and dreams came alive. Her imagination of a dead sea captain, a black panther pouncing on her for his evening meal, and falling to her death in a cove hundreds of feet below are only the beginning. Janie, a local real estate agent, awakens the young woman in her cottage. Was she awakened during a dream or... could it be real? Book 2: Nine Months Will Tell Continuation of the Storm Lord Trilogy in Chapter Two finds Angelica Thompson and Sheriff Kevin Connors expecting their first child. Her pregnancy comes as a surprise to her and Kevin because it is precisely nine months after their defeat of Ethan Knight in Chapter One of the Storm Lord Trilogy series. The question now that arises for the two love-birds is whether the Storm Lord lost his life in their final battle in the first of the series or did he, somehow, survive the epic encounter. Throughout the book, significant events taking place appear to threaten the life of Angel's first child. Is she too old, past the age of 39, to give birth? She wonders if it's just her age. Is there a problem with her child? Book 3: The Three Keys to Armageddon For this final chapter in the Storm Lord Trilogy Series, love must begin between a human and a supernatural being. This happens. The hero, the human character in this novel, is put into some kind of danger, where they come to realize they can overcome this danger either on their own or with the assistance of the supernatural love interest! Using the rich background of the

spiritual world of Archangels Michael and his Sword of Angels and Gabriel with his trumpet of victory as the background, Sidney St. James' Storm Lord Trilogy Series pursues the return of Satan himself with a paranormal world of evil versus good filled with fascinating characters. The ever-moving series' sharp dialogue, highly original plotlines, and a stylistic flair are as rhythmic and vibrant as his earlier works. Through James' fertile imagination, these three novels in the series are provocative, confrontational, and contain highly ingenious twists and turn into the unexpected, but always with a healthy dose of humor, not to mention romance.

and tortured for over four hundred years at the hands of a vampire. After being turned into one of the monsters he'd come to despise, Neo refused to take his rightful place as king. How could he fairly govern the Realm if he hated what he'd become? In an attempt to make amends to his son, Zeus created a perfect mate for Neo. Michael was everything Neo had ever wanted and everything he knew he didn't deserve. With blood designed only for Neo, Michael quickly becomes the target of Neo's enemies. Soon it will become a daily battle to keep his mate safe and deal with his increasing addiction to the blood flowing from Michael's veins.

Blood Trinity For over four hundred years, werewolf mates, Kern and Haig fought and loved side by side. Although they've had a few rocky moments along the way, their love for each other has never wavered. That is, until Kern is kidnapped and forced to mate with the outsider, Audric. Hurt and confused, Haig runs from Neo's Realm and, most especially, Kern. How is Haig supposed to accept another man in his marriage, especially when that man isn't a werewolf at all but a vampire? Centuries spent as the whipping boy to the other vampires in his coven have left Audric hungry for affection. His goal isn't to come between the mated pair of werewolves, but to become part of their family. Unfortunately, his yearning for love and companionship soon threatens to damage that which he desired. Kern hates that his unwilling actions have hurt the only person he's ever loved, but with Haig gone, he's left alone to introduce Audric to a new life on the vineyard. Kern didn't expect to like the puny vampire, but Audric begins to ease his way under Kern's skin. When Haig returns after a two month absence, Kern is afraid his newfound love for Audric might tear apart his marriage with Haig. Three men, two species, one bed. Is it possible to put aside jealousies and establish a new kind of family or will this forced union destroy everything?

Crimson Moon After his capture by a rogue vampire coven, Gunnar, alpha werewolf and head of Neo's Realm security, was viciously turned into a vampire. Although Gunnar was eventually rescued, he refuses to accept the vampiric side of himself. Centuries earlier, Ramiro was also changed against his will, but he's learned to accept himself and make the best of his new life. He knows he has his hands full with Gunnar, but there is something about the confused

werevamp that pulls at his once-human side. As head of security for the vampire king, Ramiro has the reputation of being a cold-hearted warrior, but he wasn't always that way. As he continues to coach Gunnar through the transition, he begins to yearn for things he hasn't wanted in centuries, love. Gunnar hates being seen as weak by Ramiro. Never has he allowed someone to take care of him, especially someone he considers an equal in battle. Giving in to his body's desires won't come easy, but Gunnar begins to fear for his own sanity if he continues to push the vampire away. Royal Blood Will Nialo be able to put retribution aside in the name of love, or will his anger and untapped power rip The Realm apart? Spiro Manos ruled over the Realm of Blessed Creatures for centuries in his brother's stead. Time spent solving everyone else's problems helped divert his mind from his own. Bound to a powerful but lost god, Spiro has spent a lifetime alone. Although sexual diversions have kept his body satisfied, his soul has never known the touch of the one lover he was born to satisfy. Betrayed and hunted by his brother, Nialo fought valiantly until his mother, Gaia, hid him away. Forced to live life as a jaguar

The Farmingdale Gentleman's Club: A Box Set Oct 17 2021 A Game of Chances Two men, too many secrets, and even more situations trying to keep them apart. Can love really conquer all? A meeting brought on by seeming coincidence throws Marcus and Tanner together. After becoming friends, certain truths are revealed, leading to feelings of betrayal as well as a degree of danger. Tanner has more secrets than one man ever should, not the least of which is that he's an operative for a gray-ops organisation that's something of a family business. Sharing even that much information could kill more than just his friendship with Marcus. When one misstep on Tanner's part plants possible danger in Marcus' lap, he does what he needs to do. Marcus doesn't know that Tanner is after the man Marcus used to date, but he for damned sure finds out, and that's just the start of things. When a computer disc and men with guns come into play, Marcus has some decisions to make. Like whether he can forgive Tanner for making him love a lie... and how far Marcus is willing to go to secure his own happiness. A Game of Skills A lot of things happen within the confines of a grey-ops organisation whose services are offered to the highest bidder. Sometimes even love, though that may well be easier said than done. The last thing Simon is expecting when his latest Game goes thoroughly wrong is to be rescued by a man he doesn't know and an oddly intelligent child, but that's exactly what happens. He's pulled from the proverbial fire by the strange duo. That would have been fine if he hadn't developed some unexpected and unwelcome attraction to the man, Morgan. Morgan's been running for years,

trying to keep his best friend, Ellie's, child from the clutches of what he's sure is a group Rico wants no part of. Helping Simon is barely tolerable. Developing feelings for the secretive man is less so. Between Simon's organisation, the Farmingdale Gentleman's Club, and whoever's after Rico, Morgan's pretty sure that he and Rico are screwed. When things come to a head, he has to make some hard choices, which might or might not involve Simon.

A Game of Hearts What's the difference between a fling and a relationship? Three spies are about to find out. Morgan and Simon are settled and happy together, or as much as they can be given their high-octane positions as operatives of the Farmingdale Gentleman's Club. So why are they both having unexpected longings and thoughts about their teammate, River? Sure, he's gorgeous but he's a bit of a player, and neither Simon nor Morgan are willing to risk their relationship on a fling. Try as he might, River can't seem to resist his attraction to his team leader, Simon, or Simon's mate, Morgan. He also can't quite let himself intrude on their relationship until he receives a rather unique offer from the two men. It's a fairly casual arrangement, but when things get rocky on a Game in Prague, things come to a head. Can three very different men find a way to make love work? Easier said than done, especially when the past seems determined to complicate the future.

A Game of Schemes What's to happen when a spy and his mark cross paths? Things get wild. When the two turn out to be old friends, all bets are off. The life of a grey-ops operative for a semi-secret organisation isn't always about guns and ticking bombs. Sometimes it's about something as simple as a snatch-and-grab. Sometimes it's as complex as discovering love where it's least expected. Sully's been living the life with the Farmingdale Gentleman's Club for five long years. After the Club saved him from a future as a cripple, he owes them. That's not to say that he doesn't love his work, because he does. Sometimes more than others. When an unexpected Game intrudes on Sully's holiday t

Book 1: Conflicted Mia Ryan was on the path to make all her dreams come true. Her life was everything she wanted it to be; until one fateful night changed everything – leaving her broken and without direction. Nearly a year later, she still has little faith in anyone or anything. Desperate to reclaim her life's ambition, she takes an unexpected offer that promises to solve all her problems. But as Mia moves forward, she's faced with obstacles she couldn't have foreseen. The biggest of them lies within the mystery of Ethan Fitzgerald; a man who affects her like no other, but who she should avoid pursuing, at all costs. On a mission himself, Ethan Fitzgerald didn't care who he pissed off on his road to fulfill his mother's dying wish. He relied on himself, and was closed off to the world around him – until Mia Ryan walked through his door. Normally one to avoid messy emotions, Ethan's world is turned upside down by Mia, and he can't seem to get enough of her. There are lines you can cross that will change the course of your life forever ...

Book 2: Complicated Mia Ryan has learned the hard way that her choices can have horrible consequences. Taking an offer that was

supposed to get her life back on track was nothing but a ploy. To keep the ones she holds dear safe, she's forced to finish what she started, without any hope of finding out why she was targeted in the first place. Though Mia has Ethan by her side, she can't seem to believe in him, especially since most of his life remains a mystery. Ethan Fitzgerald has done everything in his power to prove to Mia that she can trust him, but it never seems to be enough to convince her to drop the last wall around her heart. With deep and dark secrets lurking around every corner, he has his own plan to keep Mia from any danger, but it may just shatter their love forever. There are so many questions – with even more shocking answers – and when Mia uncovers the truth, nothing will ever be the same... Book 3: Concealed Mia Ryan's past and present are about to collide in startling ways, leaving her to question everything she's ever known about herself. After a shocking turn of events that revealed some mind-blowing secrets, Mia becomes more determined than ever to take back her life from the darkness that's consumed her. In her pursuit for answers, she quickly discovers that parts of her past, which have always been a mystery, might be the key to saving the ones she loves...and the man that stole her heart. Ethan Fitzgerald knows that things are never what they seem. Taking down his father's empire wasn't supposed to be a challenge—that was before Mia Ryan waltzed through his door. Forever changed by a love that reignites his purpose in life, Ethan is willing to do whatever it takes to protect Mia, and his enemies know it. In this edge of your seat finale of the Secrets and Lies series, the stakes are higher than they've ever been before. Can Mia and Ethan's relationship withstand the malicious forces threatening them, or is letting go the answer that saves them and the ones they love? Everything comes at a cost—and it might just be true love.
