**Am Ende der Welt traf ich Noah** Jun 01 2020 Es war so verlockend: Die Möglichkeit, in eine fremde Rolle zu schlüpfen, lag direkt vor mir. Ich brauchte nur zuzugreifen. Ein fremder roter Koffer zieht Marlene wie magisch an und ehe sie wirklich weiß, was sie tut, hat sie sich schon als dessen Besitzerin ausgegeben und ist in ein neues Leben abgetaucht. Als Irina Pawlowa verbringt sie ihren Sommer fernab der Zivilisation in einer alten Villa zusammen mit einer Nonne, einem Gärtner und einem Koch. Und Noah. Noah ist faszinierend, blind und in der Villa gefangen, denn irgendetwas außerhalb ihrer schützenden Mauern macht ihn schwer krank. Doch er möchte frei sein, und als Marlene sich in ihn verliebt, willigt sie ein, mit ihm zu fliehen. Was daraufhin passiert, konnte jedoch niemand vorhersehen. Ein Roman mit viel Atmosphäre, Spannung und einer unerwarteten Wendung am Ende. Diese atemberaubende Liebesgeschichte von Irmgard Kramer wird jugendliche und auch erwachsene Leser begeistern und in ihren Bann ziehen.

La imponente mansión le provoca un desasosiego que en los siguientes días no hace más que intensificarse. En especial cuando oye los rumores sobre el incendio que calcinó hace años esas mismas paredes. Entonces sus compañeras de clase empiezan a mostrar talentos singulares y a tener sueños perturbadores. Las voces desconocidas que susurran por los pasillos, los dormitorios con cerradura sólo por fuera, los espejos que a veces devuelven reflejos imposibles... Blackwood parece engullir y transformar todo lo que se aventura en su interior. Cuando Kit entienda que lo que siempre ha considerado normal no es lo que parece, puede que ya sea demasiado tarde. Y sabe encontrar la maldad que se esconde en los corazones de sus personajes, maldad que convierte en un suspense opresivo». R. L. Stine, autor de Pesadillas. «Lois Duncan siempre ha sido una de mis mayores inspiraciones: es una maestra del suspense». Sara Shepard, autora de Pequeñas mentirosas

The Birthday Murderer Apr 11 2021 Did Shan really commit a childhood murder? Is someone really trying to kill him now? Or is Shan losing his mind?

American Tabloid Media and the Satanic Panic, 1970-2000 Mar 22 2022 This book examines the "satanic panic" of the 1980s as an essential part of the growing relationship between tabloid media and American conservative politics in the 1980s. It argues that widespread fears of Satanism in a range of cultural institutions was indispensable to the development and success of both infotainment, or tabloid content on television, and the rise of the New Right, a conservative political movement that was heavily guided by a growing coalition of influential televangelists, or evangelical preachers on television. It takes as its particular focus the hundreds of accusations that devil-worshippers were operating America's white middle-class suburban daycare centers. Dozens of communities around the country became embroiled in trials against center owners, the most publicized of which was the McMartin Preschool trial in Manhattan Beach, California. It remains the longest and most expensive criminal trial in the nation's history.

*Poor People and Library Services* Sep 04 2020 In 1996, nearly 40 million United States citizens were reported to be living in poverty. This enormous number set in conjunction with the rapid growth in demand for more information technology presents librarians with a wrenching dilemma: how to maintain a modern facility while increasing services to the economically disadvantaged. Karen Venturella has gathered a diverse group of librarians and facilitators—including Khafre Abif, head of Children's Services for the Mount Vernon Public Library in New York; Wizard Marks, who directs the Chicago Lake Security Center in its mission to improve the area; Lillian Marrero, who has concentrated on providing services to the Spanish speaking population; Kathleen de la Pena McCook, director of the School of Library and Information Science at the University of South Florida; and 15 others—to find strategies for dealing with the current crisis of disparity. These writers address both the theoretical issues of ensuring access to information regardless of ability to pay, and the practical means for meeting the needs of low income populations. Appendices include the ALA's "Policy on Library Services to Poor People," "The Library Bill of Rights," and a listing of poverty-related organizations.

**From Little Houses to Little Women** Dec 19 2021 A typical travel book takes readers along on a trip with the author, but a great travel book does much more than that, inviting readers along on a mental and spiritual journey as well. This distinction is what separates Nancy McCabe's *From Little Houses to Little Women* from the typical and allows it to take its place not only as a great travel book but also as a memoir about the children's books that have shaped all of our imaginations. McCabe, who grew up in Kansas just a few hours from the Ingalls family's home in Little House on the Prairie, always felt a deep connection with Laura Ingalls Wilder, author of the Little House series. McCabe read *Little House on the Prairie* during her childhood and visited Wilder sites around the Midwest with her aunt when she was thirteen. But then she didn't read the series again until she decided to revisit in adulthood the books that had so influenced her childhood. It was this decision that ultimately sparked her desire to visit the places that inspired many of her childhood favorites, taking her on a journey that included stops in the Missouri of Laura Ingalls Wilder, the Minnesota of Maud Hart Lovelace, the Massachusetts of Louisa May Alcott, and even the Canada of Lucy Maud Montgomery. *From Little Houses to Little Women* reveals McCabe's powerful connection to the characters and authors who inspired many generations of readers. Traveling with McCabe as she rediscovers the books that shaped her and ultimately helped her to forge her own path, readers will enjoy revisiting their own childhood favorites as well.

**Presenting Lois Duncan** Jun 25 2022 One of today's most prominent writers of young adult fiction, Lois Duncan gives credence to the expression "born writer": she already created stories and poems long before entering kindergarten, publishing her first poem at age 10 and her first story at age 13. By age 18 she had won first, second, and third prizes in Seventeen magazine's annual short story contest. And although she has produced more than 40 books spanning a range of genres, Duncan has remarked, "I am - first and foremost - an author of young adult novels, because I love the sensitivity, vulnerability and responsiveness of that age reader." For books like *Killing Mr. Griffin*, *Daughters of Eve*, and *I Know What You Did Last Summer* - noted for their distinctive combination of mystery, suspense, and the supernatural - Duncan has won an enormous following among young readers and earned the prestigious Margaret A. Edwards Award from the American Library Association. *Presenting Lois Duncan* represents the first full-length study of Duncan and as such offers a striking portrait of this veteran writer's life and works. With wit, warmth, and intelligence, the study's author, Cosette Kies, provides a thorough analysis of not just the well-known young adult novels but also Duncan's earlier works for this audience, as well as her achievements in other genres. A separate chapter is devoted to *Who Killed My Daughter?*, Duncan's moving account of the 1989 murder of her daughter Kaitlyn, a book that generated considerable media attention for its psychic overtones and led to interviews between Kies and Duncan during the writing of this study. *Presenting Lois Duncan* will be of keen interest to teenagers, librarians, and teachers, as well as students and scholars studying adolescent literature at the college level. Complementing the text are photos, a chronology of Duncan's life and achievements, a selected bibliography, and an index.
