happier and more successful, as yourself. Based on the original work by Don Lowry, "True Colors 24" is a natural expansion of True Colors(tm). While True Colors(tm) identifies four Types (according to the four Colors), True Colors 24 evolves the system to consider each Color in order, in each person's Spectrum. The understanding of the influence of every aspect of one's personality (each Color, in one's Spectrum), helps people to understand the complexities of their personalities, further and more successful, as yourself.

The Designer's Guide to Color Combinations

Nov 16 2021 If you're from the "I don't know zip about color - but I know what I like" school of color theory, this book's for you. You won't find color wheels or lectures on color harmony here . . . just 500+ tried-and-true color combinations derived from actual design work - posters,

packages, even giftware - created over the past century by designers, artists and color experts. You'll find historical color combinations from the Victorian period, Art Deco era, Far-out Sixties, Rave craze - plus current color combinations, such as limited color, "bad color" and much more. Even if you don't know what you're looking for, you'll know it when you see it here. It's not just what colors you use, but how you use them. That's why the color combinations in this book are arranged in simple, sample layouts rather than pages of out-of-context swatches. Complete with color formulas in CMYK, these layouts show you which colors work for backgrounds, borders, type, outlines, panels and small text, so you can easily adapt them to your designs.
