**Best In Show** May 26 2022 A sleuth must find a killer amid a plethora of poodles in this "charming" cozy mystery by an Agatha Award finalist (Publishers Weekly). There are dog shows. And then there's The Poodle Club of America National Specialty Dog Show. For poodle purists, it's the pinnacle of the season, drawing competitors and spectators from all over the world. Once in Maryland, Melanie Travis is put to work selling raffle tickets by the co-chairs of the raffle committee, Betty Jean and Edith Jean Boone. Sixtyish steel magnolias from the South, the reclusive sisters make few appearances. But this year, they have a silver Toy puppy that has already caused quite a buzz on the show circuit. While the poodles remain well behaved, it's their owners and handlers who start acting up. And when Betty Jean is found dead at the host hotel, murder takes center stage. But this is the PCA—and the show must go on. As Edith Jean staunchly resumes her duties, Melanie starts searching for clues, and comes up with a compelling cast of suspects whose actions prove that in the dog-eat-dog world of showing, a life can be as easily lost as a blue ribbon. And that unlike cats, dogs—and their owners—have only one to risk... "A dependable author for fans of pooch-oriented mysteries." —Library Journal

**The Best in Tent Camping: Texas** Aug 29 2022 As with all books in this series, the campgrounds selected for The Best in Tent Camping: Texas had to meet three criteria: they had to be accessible by car but not overrun with RVs; offer great scenery; and be as close as possible to a wilderness experience. Texas, with its extraordinary diversity of ecosystems, made author Wendel Withrow's search an exciting one. Divided into the state's major geographical areas, the book is based on the author's 30 years' experience in following the back roads of Texas. Along with a detailed profile and useful at-a-glance information, clear maps show campground layout, individual sites, and key facilities. Driving directions supplemented with GPS-based coordinates for each campground entrance make getting there a snap. Regional maps and a profile numbering system make the book easy to use and enjoy.
