[Into the Night: Troubleshooters 5](#) Feb 19 2022 Troubleshooters: They Never Let You Down. The fifth addictive romantic suspense novel in New York Times bestselling author Suzanne

Brockmann's Troubleshooters series, filled with thrilling adventure, excitement and passion. In INTO THE NIGHT, as a deadly assassination plot plays out around them, White House staffer Joan DaCosta and Lieutenant Mike Muldoon must risk everything to survive. When White House staffer Joan DaCosta is assigned to work with Navy SEAL Lieutenant Mike Muldoon on a presidential visit to a Californian naval base, she is reluctant to admit quite how drawn she is to the handsome young officer. For a woman who has always prided herself on being 'one of the guys' in the mostly male-dominated world of politics, it's stunning to her how quickly Mike breaks through her defences. Mike may be younger than Joan in years, but his experience in the field has made him strong, decisive and fearless - he's more than a match for Joan. But as their attraction grows, so does a terrible danger: terrorists are plotting to attack the president. Now, Joan and Mike must risk their lives and everything they hold dear, including

Embraced by Love Feb 07 2021 Annotated reissue originally published 1995 A workaholic thirty-something couple and a baby... Josie Cooper's got the perfect-for-her life. This former small-town-girl has worked long and hard to grow her computer start-up into a company to be reckoned with. She's also found her soul-mate in brilliant, quirky, and extremely sexy architect Cooper McBride. And they're happily—if busily—living out their HEA in Manhattan, the City that Never Sleeps. The ongoing journey of a happy marriage is one that needs constant work and compromise, but Josie and Cooper are experts at thinking creatively to make their lives and relationship vibrant and thriving. But when Josie's brother and his wife are killed in a car accident in the mountains of Tennessee, their two small children—four year old Lucy and nine month old Ben—have nowhere to go, unless Josie

and Cooper step up. "I saw a baby once," Josie tells Coop, "but that's the extent of my experience..." Outside-of-the-box thinking is this power-couple's forte, but adding two understandably needy kids to the chaos of their lives is a daunting challenge—one that will test them in unexpected ways... With footnoted commentary about everything from pre-smartphone life in 1994/1995 (when *Embraced by Love* was written, published, and is still set) to thoughts on writing romance and how much Romancelandia—and her own writing—has changed in the past twenty-something years, Suzanne Brockmann presents a special annotated edition of one of her very earliest books. Set in 1995, *Embraced by Love* is a full length novel of 64K words (76K with annotations) or 240 pages. It was originally published in 1995.

still appreciates that Simon's handsome-hot-and-sexy factor is off the scale, she's well aware that he's Sunrise Key's most notorious ladies' man. She's glad to be his friend—his sharp sense of humor and love of laughter makes him fun to be around—but she's careful to follow the "ten foot pole" rule. If she lets him get too close, her resistance starts to melt—but Simon only does short-term flings and Frankie's looking for forever. On a madcap adventure... Simon Hunt can't stop making trench-coat-and-fedora jokes when Frankie gets a license to become a private eye. Sunrise Key isn't exactly overrun with crime or mysteries that need solving, so she's as surprised as he is when a client walks in to her office and drops a hefty retainer on her desk. Her first big assignment seems daunting: find a man named "John" who vacationed on the island over a decade ago. But Frankie's lived in the tiny tourist town her entire life and she soon realizes that the key to finding John lies in her tracking down his stepson—who just happens to be the

boy with whom she shared her first kiss. As Simon plays Dr. Watson to Frankie's Sherlock Holmes, he quickly realizes that she's good at solving mysteries. And when—not if, when—she finds and reconnects with her long-ago love, Simon might lose her forever. And suddenly, for this life-long fan of the one-night-stand, the idea of forever with Frankie is a whole lot less terrifying than the thought of forever without her... Welcome back to Sunrise Key!
