Implementating a CPI Culture Aug 21 2019 The Truth About The Spirit World. Not By Hollywood, But By A Woman That Made It Through The Dark Side. spirits, demons, GOD! is the true story of a long chapter in the life of Pauline Brady. It tells of her journey through the world of evil spirits and demons and back to GOD! Polly was born in Drew County, AR. Lived in Seven Devil's Bottoms, Cominto and surrounding area. The daughter of a country Baptist preacher. A good girl that crossed a dangerous line. One who tried to hold onto both worlds and nearly died. Her near death experience and the drawn up invalid she became left her angry with the GOD she had grown up loving. How did this loving little church girl get caught up in a world of witchcraft as a woman, fighting demons, turning from her Lord?? How did she make it back?? Ride the back roads of Southeast Arkansas with Polly; visit local cemeteries and witches of Louisiana. Journey with her as she speeds down dirt roads, battles the unknown, falls in love and crawls out of a wheelchair fighting for all that she is. Let Polly's story open your eyes. And if you are where she once was, not understanding what the end result would be when getting involved in this life style, may you find the answers to getting out. Polly's story also takes a moment to reach out to abused women, then to victims of stroke and their loved ones and to anyone that has ever been angry, REAL ANGRY, with GOD.
