Watercolor is a wonderful medium for figure and fashion as it creates loose, impressionistic results that capture the essence of a look without getting too bogged down in the details. In this complete course, professional fashion illustrator Francesco Lo Iacono shows you how to master creating delicate, beautiful fashion illustrations. The book begins with the best tools and materials, from paints and brushes to pencils, paper and more. You'll then explore simple watercolor techniques such as washes, wet-on-wet, wet-on-dry, and using the white of the paper.
