Forbidden Family Jul 24 2019 The story of how an ordinary, young woman met the challenges of extraordinarily difficult circumstances. It is a love story, a confession and an apology. Margaret risked everything to fall in love with Jerry Sams. She fought successfully to make the relationship with Jerry a permanent one, to bear and keep their daughter, no matter what the conditions, and to preserve her new, forbidden family.

Unforgetting Jun 26 2022 An LA Times Best Book of the Year • A New York Times Editors' Pick • A Newsweek 25 Best Fall Books • A The Millions Most Anticipated Book of the Year "Gripping and beautiful. With the artistry of a poet and the intensity of a revolutionary, Lovato untangles the tightly knit skein of love and terror that connects El Salvador and the United States." —Barbara Ehrenreich, author of *Natural Causes* and *Nickel and Dimed* An urgent, no-holds-barred tale of gang life, guerrilla warfare, intergenerational trauma, and interconnected violence between the United States and El Salvador, Roberto Lovato's memoir excavates family history and reveals the intimate stories beneath headlines about gang violence and mass Central American migration, one of the most important, yet least-understood humanitarian crises of our time—and one in which the perspectives of Central Americans in the United States have been silenced and forgotten. The child of Salvadoran immigrants, Roberto Lovato grew up in 1970s and 80s San Francisco as MS-13 and other notorious Salvadoran gangs were forming in California. In his teens, he lost friends to the escalating violence, and survived acts of brutality himself. He eventually traded the violence of the streets for human rights advocacy in wartime El Salvador where he joined the guerilla movement against the U.S.-backed, fascist military government responsible for some of the most barbaric massacres and crimes against humanity in recent history. Roberto returned from war-torn El Salvador to find the United States on the verge of unprecedented crises of its own. There, he channeled his own pain into activism and journalism, focusing his attention on how trauma affects individual lives and societies, and began the difficult journey of confronting the roots of his own trauma. As a child, Roberto endured a tumultuous relationship with his father Ramón. Raised in extreme poverty in the countryside of El Salvador during one of the most violent periods of its history, Ramón learned to survive by straddling intersecting underworlds of family secrets, traumatic silences, and dealing in black-market goods and guns. The repression of the violence in his life took its toll, however. Ramón was plagued with silences and fits of anger that had a profound impact on his youngest son, and which Roberto attributes as a source of constant reckoning with the violence and rebellion in his own life. In *Unforgetting*, Roberto interweaves his father's complicated history and his own with first-hand reportage on gang life, state violence, and the heart of the immigration crisis in both El Salvador and the United States. In doing so he makes the political personal, revealing the cyclical ways violence operates in our homes and our societies, as well as the ways hope and tenderness can rise up out of the darkness if we are courageous enough to forget.

Hillbilly-Elegie Oct 31 2022 Seine Großeltern versuchten, mit Fleiß und Mobilität der Armut zu entkommen und sich in der Mitte der Gesellschaft zu etablieren. Doch letztlich war alles vergeblich. J. D. Vance erzählt die Geschichte seiner Familie – eine Geschichte vom Scheitern und von der Resignation einer ganzen Bevölkerungsschicht. Armut und Chaos, Hilflosigkeit und Gewalt, Drogen und Alkohol: Genau in diesem Teufelskreis befinden sich viele weiße Arbeiterfamilien in den USA – entfremdet von der politischen Führung, abgehängt vom Rest der Gesellschaft, anfällig für populistische Parolen. Früher konnten sich die »Hillbillys«, die weißen Fabrikarbeiter, erhoffen, sich zu Wohlstand zu schufren. Doch spätestens gegen Ende des 20sten Jahrhunderts zog der Niedergang der alten Industrien ihre Familien in eine Abwärtsspirale, in der sie bis heute stecken. Vance gelingt es wie keinem anderen, diese ausweglose Situation und die Krise einer ganzen Gesellschaft eindrücklich zu schildern. Sein Buch bewegte Millionen von Lesern in den USA und erklärt nicht zuletzt den Wahlsieg eines Donald Trump.

Hillbilly Elegy Sep 25 2019 *Hillbilly Elegy* is a passionate and personal analysis of a culture in crisis—that of white working-class Americans. The disintegration of this group, a process that has been slowly occurring now for more than forty years, has been reported with growing frequency and alarm, but has never before been written about as searingly from the inside. J. D. Vance tells the true story of what a social, regional, and class decline feels like when you were born with it hung around your neck. The Vance family story begins hopefully in postwar America. J. D.'s grandparents were "dirt poor and in love," and moved north from Kentucky's Appalachia region to Ohio in the hopes of escaping the dreadful poverty around them. They raised a middle-class family, and eventually one of their grandchildren would graduate from Yale Law School, a conventional marker of success in achieving generational upward mobility. But as the family saga of *Hillbilly Elegy* plays out, we learn that J.D.'s grandparents, aunt, uncle, sister, and, most of all, his mother struggled profoundly with the demands of their new middle-class life, never fully escaping the legacy of abuse, alcoholism, poverty, and trauma so characteristic of their part of America. With piercing honesty, Vance shows how he himself still carries around the demons of his chaotic family history. A deeply moving memoir, with its share of humor and vividly colorful figures, *Hillbilly Elegy* is the story of how upward mobility really feels. And it is an urgent and troubling meditation on the loss of the American dream for a large segment of this country.

Boy Erased Dec 21 2021 Was bleibt, wenn einem alles genommen, wenn sogar die Identität ausradiert werden soll? Wie erinnert man sich an die Zeit, in der man ausgelöscht werden sollte? 2004 in Arkansas im sogenannten Bible Belt der USA: Ein Bekannter outet den neunzehnjährigen Garrard Conley gegen seinen Willen vor den Eltern als homosexuell. Seit Jahren schon kämpft Conley gegen die Scham, die ihm als einzigem Sohn eines Baptistenpredigers eingepflegt ist. Er selbst ist tief verwurzelt in einer christlich-fundamentalistischen Gemeinde, in einer Gesellschaft, die die Bibel beim Wort nimmt, in der nichts geduldet wird, was nicht der unabänderlichen Norm entspricht. Unvermittelt steht er vor der Entscheidung seines Lebens: Stimmt er einer Konversionstherapie zu, einem kirchlichen Programm, das ihn in zwölf Schritten von seiner Homosexualität »heilen«, von unreinen Trieben säubern, seinen Glauben festigen und aus ihm einen ex-gay machen soll, oder riskiert er, seine Familie, seine Freunde und den Gott, zu dem er an jedem Tag seines Lebens gebetet hat, zu verlieren? Soll er sein äußeres Leben auslöschen oder sein Inneres? Garrard Conley spürt den komplexen Beziehungen von Familie, Glauben und Gemeinschaft nach und zeichnet dabei ein Bild von einem Amerika, mit dem wir heute mehr denn je konfrontiert sind. Doch Conley versucht dabei auch stets jene zu verstehen, die ihm aus gutem Glauben heraus so viel Schmerz zugefügt haben. Dieser Lebensbericht lässt einen frieren angesichts der Kälte, mit der Fundamentalisten in den USA anderen ihre Ideologie überstülpen. Aber *Boy Erased* ist auch ein Zeugnis der Liebe, die trotzdem überleben kann.

An American Family Apr 24 2022 This "moving [and] wonderful" memoir by the Muslim American Gold Star father, captivating DNC speaker, and 2022 Presidential Medal of Freedom recipient is "a story about family and faith [that] can teach all of us what real American patriotism looks like" (The New York Times Book Review). "[Khizr] Khan offers a valuable perspective as we continue to debate what kind of country we want to be."—The Washington Post (Best Books of the Year) Khizr Khan electrified viewers around the world when he took the stage at the 2016 Democratic National Convention. And when he offered to lend Donald Trump his own much-read and dog-eared pocket Constitution, his gesture perfectly encapsulated the feelings of millions. In this urgent and timeless immigrant story, Khan shares the extraordinary, ordinary journey that led him to that moment: He was the oldest of ten children born to farmers in Pakistan. He was a university student

who read the Declaration of Independence and was awestruck by what might be possible in life. He was a hopeful suitor, awkwardly but earnestly trying to win the heart of a woman far out of his league. He was a loving father who, having instilled in his children the ideals that enticed him and his wife to America, tragically lost his son, an Army captain, in the Iraq War. He was and is a patriot, and a fierce advocate for the values enshrined in the American system. An American Family shows us who Khizr Khan and millions of other American immigrants are, and why—especially in these tumultuous times—we must not be afraid to step forward for what we believe in when it matters most.

The Latehomecomer Jun 02 2020 In search of a place to call home, thousands of Hmong families made the journey from the war-torn jungles of Laos to the overcrowded refugee camps of Thailand and onward to America. But lacking a written language of their own, the Hmong experience has been primarily recorded by others. Driven to tell her family's story after her grandmother's death, The Latehomecomer is Kao Kalia Yang's tribute to the remarkable woman whose spirit held them all together. It is also an eloquent, firsthand account of a people who have worked hard to make their voices heard. Beginning in the 1970s, as the Hmong were being massacred for their collaboration with the United States during the Vietnam War, Yang recounts the harrowing story of her family's captivity, the daring rescue undertaken by her father and uncles, and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp. When she was six years old, Yang's family immigrated to America, and she evocatively captures the challenges of adapting to a new place and a new language. Through her words, the dreams, wisdom, and traditions passed down from her grandmother and shared by an entire community have finally found a voice. Together with her sister, Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing, translating, and business services. A graduate of Carleton College and Columbia University, Yang has recently screened The Place Where We Were Born, a film documenting the experiences of Hmong American refugees. Mosaic: A Family Memoir Revisited Feb 29 2020 A love story, a detective story, a book of secrets, a beautifully written journey into a forest of family trees. After writing the definitive biographies of Lytton Strachey and George Bernard Shaw, Michael Holroyd turned his hand to a more personal subject: his own family. The result was Basil Street Blues, published in 1999. But rather than the story being over, it was in fact only beginning. As letters from readers started to pour in, the author discovered extraordinary narratives that his own memoir had only touched on. Mosaic is Holroyd's piecing together of these remarkable stories: the murder of the fearsome headmaster of his school; the discovery that his Swedish grandmother was the mistress of the French anarchist Jacques Prévert; and a letter about the beauty of his mother that provides a clue to a decade-long affair. Funny, touching, and wry, Mosaic shows how other people's lives, however eccentric or extreme, echo our own dreams and experiences.

Three Dreamers Mar 24 2022 "As nourishing as a three-course Italian feast, this is a fierce, moving tribute to the ties that bind."—People (Book of the Week) The #1 New York Times bestselling author of Sleepers offers a heartfelt homage to the women who taught him courage, kindness, and the power of storytelling: his mother, his grandmother, and his late wife. Standing with his children near his grandmother's grave on a recent trip to Ischia, an island off the coast of Naples, Lorenzo Carcaterra realized how much of his life has been shaped by the women who taught him how to look for joy and overcome sorrow. This book is his tribute to them. Nonna Maria, his grandmother, gave him his first taste of a loving home during the summers he spent with her as a teenager on Ischia. With her kindness, her humor, and the same formidable strength she employed to make secret trips for food when the Nazis occupied Ischia during World War II, she instilled in him the importance of community, providing shelter for a boy whose home life was difficult. His mother, Raffaella, dealt with daily hardships: a loveless and abusive marriage, the burden of debt, and a life of dread. Though the lessons she taught were harsh, they would drive Lorenzo from the world they shared to the better one she always prayed he would find. The third woman is his wife, Susan, a gifted editor and his professional champion. Their marriage lasted three decades before her death from lung cancer in 2013. While their upbringings were wildly different, their love and friendship never wavered and neither did her faith in Lorenzo's talent and potential as a writer.

Family History of Fear Oct 26 2019 It wasn't until she was nineteen that Agata Tuszynska, one of Poland's most admired poets and cultural historians, discovered that she was Jewish. In this profoundly moving and resonant work, she uncovers the truth about her family's history—a mother who entered the Warsaw Ghetto at age eight and escaped just before the uprising; a father, one of five thousand Polish soldiers taken prisoner in 1939, who would become the country's most famous radio sports announcer; and other relatives and their mysterious pasts—as she tries to make sense of anti-Semitism in her country. The poignant story of one woman coming to terms with herself, Family History of Fear is also a searing portrait of Polish Jewish life, before and after Hitler's Third Reich.

Extraordinary, Ordinary People Sep 29 2022 This is the story of Condoleezza Rice that has never been told, not that of an ultra-accomplished world leader, but of a little girl—and a young woman—trying to find her place in a sometimes hostile world, of two exceptional parents, and an extended family and community that made all the difference. Condoleezza Rice has excelled as a diplomat, political scientist, and concert pianist. Her achievements run the gamut from helping to oversee the collapse of communism in Europe and the decline of the Soviet Union, to working to protect the country in the aftermath of 9-11, to becoming only the second woman—and the first black woman ever—to serve as Secretary of State. But until she was 25 she never learned to swim, because when she was a little girl in Birmingham, Alabama, Commissioner of Public Safety Bull Connor decided he'd rather shut down the city's pools than give black citizens access. Throughout the 1950's, Birmingham's black middle class largely succeeded in insulating their children from the most corrosive effects of racism, providing multiple support systems to ensure the next generation would live better than the last. But by 1963, Birmingham had become an environment where blacks were expected to keep their head down and do what they were told—or face violent consequences. That spring two bombs exploded in Rice's neighborhood amid a series of chilling Klu Klux Klan attacks. Months later, four young girls lost their lives in a particularly vicious bombing. So how was Rice able to achieve what she ultimately did? Her father, John, a minister and educator, instilled a love of sports and politics. Her mother, a teacher, developed Condoleezza's passion for piano and exposed her to the fine arts. From both, Rice learned the value of faith in the face of hardship and the importance of giving back to the community. Her parents' fierce unwillingness to set limits propelled her to the venerable halls of Stanford University, where she quickly rose through the ranks to become the university's second-in-command. An expert in Soviet and Eastern European Affairs, she played a leading role in U.S. policy as the Iron Curtain fell and the Soviet Union disintegrated. Less than a decade later, at the apex of the hotly contested 2000 presidential election, she received the exciting news—just shortly before her father's death—that she would go on to the White House as the first female National Security Advisor. As comfortable describing lighthearted family moments as she is recalling the poignancy of her mother's cancer battle and the heady challenge of going toe-to-toe with Soviet leaders, Rice holds nothing back in this remarkably candid telling.

A Genius in the Family Jan 10 2021 Jacqueline du Pre's life story, told by her brother and sister, is an often painful but always moving account of the results of having a prodigy in the family, and how the driving force of an undeniable talent controlled not only her own life but also theirs.

Somebody Stole My Iron Oct 19 2021 Navigating the waters of dementia can be frightening, unleashing a myriad of emotions for everyone involved. After Vicki Tapia's mother was diagnosed with Alzheimer's disease, followed closely by her father with Parkinson's disease-related dementia, she struggled to find practical, helpful information to light her way. Somebody Stole My Iron began as a diary to help her cope, but emerged as a road map for others. It offers a glimpse into her family's life as they rode the waves of dementia, sometimes sailing, other times capsizing. This engaging memoir offers useful information from experts within the field of Alzheimer's research, personal lessons the author learned along the way, and ideas and tips for managing the day-to-day ups and downs of dementia.

Fair Shares for All Dec 09 2020 The copy chief of Gourmet magazine describes growing up in a working-class family in London's East End during the 1950s and 1960s and family get-togethers during which they reminisced about the past and consumed quintessential British food. Reprint.

Like Family Feb 20 2022 In the tradition of Jo Ann Beard's Boys of My Youth, and Mary Karr's The Liar's Club, Paula McLain has written a powerful and haunting memoir about the years she and her two sisters spent as foster children. In the early 70s, after being abandoned by both parents, the girls were made wards of the Fresno County, California court and spent the next 14 years in a series of adoptive homes. The dislocations, confusions, and odd pleasures of an unrooted life form the basis of a captivating memoir. McLain's beautiful writing and limber voice capture the intense loneliness, sadness, and determination of a young girl both on her own and responsible, with her siblings, for staying together as a family.

Silvertown Sep 05 2020 The story of one East End family, across three generations, living on the fringe of the Thames. Silvertown itself is a ribbon of marshland that sits beside the King George VI dock near Bow Creek. In 1944 Melanie McGrath's grandfather Lenny, bought the Cosy Cafe in Silvertown. From here Lenny, his mistress, his wife and his daughter served egg and chips, liver and bacon, eels and jellied custard to the passing trade from the thriving docks. Business was good. By the late 1940s Lenny was the only Cafe owner in the East End to drive a Cadillac.

Plunder Aug 29 2022 From a gifted young writer, the story of his quest to reclaim his family's apartment building in Poland—and of the

astounding entanglement with Nazi treasure hunters that follows Menachem Kaiser's brilliantly told story, woven from improbable events and profound revelations, is set in motion when the author takes up his Holocaust-survivor grandfather's former battle to reclaim the family's apartment building in Sosnowiec, Poland. Soon, he is on a circuitous path to encounters with the long-time residents of the building, and with a Polish lawyer known as "The Killer." A surprise discovery--that his grandfather's cousin not only survived the war, but wrote a secret memoir while a slave laborer in a vast, secret Nazi tunnel complex--leads to Kaiser being adopted as a virtual celebrity by a band of Silesian treasure seekers who revere the memoir as the indispensable guidebook to Nazi plunder. Propelled by rich original research, Kaiser immerses readers in profound questions that reach far beyond his personal quest. What does it mean to seize your own legacy? Can reclaimed property repair rifts among the living? Plunder is both a deeply immersive adventure story and an irreverent, daring interrogation of inheritance--material, spiritual, familial, and emotional.

Hidden Lives Jun 22 2019 Margaret Forster's grandmother died in 1936, taking many secrets to her grave. Where had she spent the first 23 years of her life? Who was the woman in black who paid her a mysterious visit shortly before her death? How had she borne living so close to an illegitimate daughter without acknowledging her? The search for answers took Margaret on a journey into her family's past, examining not only her grandmother's life, but also her mother's and her own. The result is both a moving, evocative memoir and a fascinating commentary on how women's lives have changed over the past century.

Mapping Fate May 26 2022 Wexler tells the story of a family at risk for Huntington's disease, a hereditary, incurable, fatal disorder from which her own mother died. This graceful and eloquent account goes beyond the specifics of the disease to explore the dynamics of family secrets, of living at risk, and the drama and limits of biomedical research. Photos.

Plenty Jul 04 2020 A moving reflection on motherhood, friendship, and women making their mark on the world of food from the author of Feast. Food writer Hannah Howard is at a pivotal moment in her life when she begins searching out her fellow food people--women who've carved a place for themselves in a punishing, male-dominated industry. Women whose journeys have inspired and informed Hannah's own foodie quests. On trips that take her from Milan to Bordeaux to Oslo and then always back again to her home in New York City, Hannah spends time with these influential women, learning about the intimate paths that led them each toward fulfilling careers. Each chef, entrepreneur, barista, cheesemaker, barge captain, and culinary instructor expands our long-held beliefs about how the worldwide network of food professionals and enthusiasts works. But amid her travels, Hannah finds herself on a heart-wrenching private path. Her plans to embark on motherhood bring her through devastating lows and unimaginable highs. Hannah grapples with personal joy, loss, and a lifelong obsession with food that is laced with insecurity and darker compulsions. Looking to her food heroes for solace, companionship, and inspiration, she discovers new ways to appreciate her body and nourish her life. At its heart, this lovely and candid memoir explores food as a point of passion and connection and as a powerful way to create community, forge friendships, and make a family.

THE BROKEN TREE Feb 08 2021 As she was growing up, Anita Venes forgot many things about her origins -- who she was, where everybody else was, why she had a strange name which people kept changing. She worked hard to forget about the past, avoiding questions about her parents and other family members who had all disappeared. This was often the case for an abandoned child growing up in the care system in the 1940s. It was best to focus on the future when you might have some control over events. Fostering experiences can be good -- for Anita they were not. This is her story, a story of survival and inspiring courage to overcome the traumas of her abusive childhood. She chose to work with severely disabled children and that developed into her passion for over 40 years, eventually achieving the rewarding role of headteacher of a new school. The memorable stories of those years feature in *The Broken Tree*, and Anita also goes into detail about her search for her long-lost family members and the impact each made upon her life. This includes the journey of finding her brother, an internationally famous clown and mime artist, known as Potts. His story is still to be told. Tragic at times, her tale is ultimately uplifting and inspirational for all those who struggle in life to overcome the hand they've been dealt.

Saffron and Pearls: a Memoir of Family, Friendship and Heirloom Hyderabad Recipes Nov 07 2020 For Doreen Hassan, Hyderabad is not just where her roots lie, it is also the city that informs the way she and her family lead their lives. Known and loved for their legendary hospitality for over four decades, Doreen and her husband, Peter Toghri Hassan, have preserved a way of life, a culture and a cuisine with great affection and pride in their cosmopolitan home in Delhi, passing their love for food, family and friendships to their children and grandchildren. This is not a collection of Hyderabad recipes that stops at the biryani or the Mirchi ka Saalan or kebabs or Shahi Tukra. It is a personal story a tribute to the city that Doreen calls home. Over the decades, she has archived priceless family recipes from her husband's storied Hyderabad family. The result is an astonishingly rich record of culinary history, which speaks of a city that absorbed influences from across the world and made them its own.

Zwei Bäume machen einen Wald Aug 17 2021 Als Jessica J. Lee durch Zufall die gut versteckten Aufzeichnungen ihres verstorbenen Großvaters in die Hände fallen, entschließt sie sich, nicht nur ihrer Familiengeschichte nachzuspüren, sondern auch die Insel zu erkunden, auf der ihre Großeltern den Großteil ihres Lebens verbrachten: Taiwan. Im Bestreben, diese zwischen tektonischen Platten und gegensätzlichen Kulturen gelegene Insel der Extreme zu erforschen, legt Jessica J. Lee frei, inwiefern menschliche Schicksale mit geografischen Kräften zusammenhängen. Angetrieben von dem Wunsch, zu verstehen, welche Erschütterungen ihre Familie erst von China nach Taiwan und schließlich nach Kanada führten, spürt sie anhand dieser Insel mit ihren hohen Bergen, dem offenen Tiefland und den dicht bewachsenen Wäldern der Migrationsgeschichte ihrer Vorfahren mit all ihren Abgründen und Geheimnissen nach. Lee führt uns durchs Gebirge, in denen die Taiwangoldhähnchen zu Hause sind, berichtet von seltenen Vögeln und schwimmt in zedernbedeckten Seen. Doch jenseits ihrer persönlichen Erkundungen wirft Lee auch einen kritischen Blick auf die ehemaligen Kolonialherren Taiwans.

Finding St. Lo: A Memoir of War & Family Mar 12 2021 SILVER MEDAL WINNER - E-Lit Book Awards - 2019 FINALIST - International Book Awards, American Book Festival - 2019 FINALIST - Silver Falchion Killer Nashville Award - 2019 DISTINGUISHED FAVORITE - Independent Press Awards - 2019 5 STAR REVIEW READERS FAVORITE - 2019 What did it mean to be a hero in 1944? What does it mean today? On the 75th anniversary of the invasion of Normandy, these are the questions we ask ourselves as the world faces resurgent nativism, deep social divisions, and rising xenophobia. It's no exaggeration to say that the gravity of our crises today echoes back to the crossroads of 1944. Finding St. Lo presents us with two distinct voices from the past. The authors are Gordon Cross and Robert Fowler: a medic and sergeant who served in the 134th US Infantry Regiment. In their mobilization, Cross and Fowler witnessed horrific destruction alongside compelling heroism. Their firsthand accounts are joined here by essays by Fowler's grandson, Ted Neill. Neill explores the scars of war left by his grandfather's post-traumatic stress and its effects across three generations of family. Through Neill's reflections, three stories weave into one. The voices of soldiers, family members, and trauma specialists come together in prose that is readable and relatable. The photography of Gordon Cross, published here for the first time, provides an unparalleled window into the scenes of devastation and loss. But Cross also captures the stirrings of recovery and the foundations of a post-war peace that benefited billions--a peace that may endure, if we can be good stewards. Finding St. Lo examines a time in US history that was a crucible for the identity of a generation and the destiny of a nation. These stories and photos demonstrate, without question, that the values of self-sacrifice, community, courage, and compassion that steered a generation in 1944 can still serve us--and save us--today.

Logical Family May 14 2021 In this funny, poignant and unflinchingly honest memoir, one of the world's best-loved storytellers explains how he evolved from a conservative son of the Old South into a gay rights pioneer whose novels inspired millions to claim their own lives. It is a journey that leads him from the racism and misogyny of mid-century North Carolina to a homoerotic Navy initiation ceremony in the jungles of Vietnam to an awkward conversation about girls with President Richard Nixon in the Oval Office of the White House. After losing his virginity to another man 'on the very spot where the first shots of the Civil War were fired', Maupin packs his earthly belongings into his Opel GT (including a portrait of a Confederate ancestor) and heads west to that strangest of strange lands: San Francisco in the early 1970's.

Nobody Rich Or Famous Sep 17 2021 Nobody Rich or Famous is a literary memoir about family and place. Shelton travels to his childhood home in rural Idaho to connect with his past and discover his family history. The manuscript touches upon family dynamics, death and mortality, alcoholism, abusive relationships, and life in the rural and urban West. The book simultaneously exposes the conflicts within Shelton's family while illustrating life in Great Basin during the first half of the 20th century.

A Clear Blue Sky Jun 14 2021 THE SPORTS BOOK OF THE YEAR Daily Mail As a young boy of eight, Jonny Bairstow was dealt a cruel blow. His father David 'Bluey' Bairstow, the combative and very popular wicketkeeper and captain of Yorkshire, took his own life at the age of forty-six. David left behind Jonny, Jonny's sister Becky and half-brother Andy, and his wife Janet, who had recently been diagnosed with cancer at the time of his death. From these incredibly tough circumstances, Jonny and his family strived to find an even keel and come to terms

with the loss of their father and husband. Jonny found his way through his dedication to sport. He was a gifted and natural athlete, with potential careers ahead of him in rugby and football, but he eventually chose cricket and came to build a career that followed in his father's footsteps, eventually reaching the pinnacle of the sport and breaking the record for most Test runs in a year by a wicketkeeper. Written with multiple-award-winning writer Duncan Hamilton, this is an incredible story of triumph over adversity and a memoir with far-reaching lessons about determination and the will to overcome.
