Stories from Candyland Mar 31 2020 Carole Gene Marer spent her girlhood dreaming of meeting Rock Hudson, but when she finally had the chance—on her second date with her future husband, television mogul Aaron Spelling—she was so shy she hid all night in the powder room. How Candy morphed from that quiet girl into a

seemingly-confident, stylish trophy wife, mistress of the largest house in Los Angeles (70,000 square feet when you count the attic) is at the heart of *Stories from Candyland*. The life Candy created for her family—her husband and children Tori and Randy—was fabulous, over-the-top, and often magical. So what if California Christmases don't come with snow? Let's make some on the tennis court! How do we take a cross-country family vacation with a dad who doesn't fly? By private train car, of course (with an extra for the fifty-two pieces of luggage). The kids want to dress up for Halloween? No problem, why not call in Nolan Miller to design their costumes? Candy had a hand in some of the most beloved television shows of all time (she once stopped production on "Dynasty" because Krystle Carrington's engagement ring was not spectacular enough), has entertained half of Hollywood in epic fashion, and lives an enviable life. But under all the fun and showmanship lies a more interesting character, still wrestling with

some of the insecurities of her ingénue self. Oprah threw her into a major panic with a discussion of hoarding. A lifelong humming habit evolved as a unique coping mechanism. And there's nothing like being defined as, "well, you know, complicated" by your daughter on television and in her own book. Stories from Candyland sparkles with glamour and grand gestures. But it also satisfies with some more intimate Candy concerns: why being a perfect wife and mother was so important to her, how cooking and cleaning can keep the home fires burning, why collections matter, and whether dogs are better judges of people than people are. Visit Candyland in these pages and get a glimpse of a generous, glittering world revealing many of its surprising and funny secrets for the first time.

The Playdate Jun 02 2020 A playdate is an organized meeting where parents come together with their children at a public or private location to interact socially or “play.” Children no longer simply “go out and play,” rather, play is arranged, scheduled, and parentally-approved and supervised. How do these playdates happen? Who gets asked and who doesn’t? What is acceptable play behavior? In *The Playdate*, Tamara R. Mose focuses on the parents of young children in New York City to explore how the shift from spontaneous and child-directed play to

managed and adult-arranged playdates reveals the structures of modern parenting and the new realities of childhood. Mose argues that with the rise of moral panics surrounding child abuse, pedophilia, and fears about safety in the city, as well as helicopter parenting, and over-scheduling, the playdate has emerged as not just a necessity in terms of security and scheduling, but as the very hallmark of good parenting. Based on interviews with parents, teachers, childcare directors, and nannies from Brooklyn, Manhattan, Queens, and Long Island, the book provides a first-hand account of the strategies used by middle-class parents of young children to navigate social relationships—their own and those of their children. Mose shows how parents use playdates to improve their own experiences of raising children in New York City while at the same time carefully managing and ensuring their own social and cultural capital. Mose illustrates how the organization of playdates influences parents’ work lives, friendships, and

public childrearing performances, and demonstrates how this may potentially influence the social development of both children and parents. Ultimately, this captivating and well-researched book shows that the playdate is much more than just “child’s play.” Tamara Mose on The Brian Lehrer Show

[Dessert University](#) Nov 27 2019 As Executive Pastry Chef at the White House for twenty-five years, Roland Mesnier has been responsible for creating thousands of elegant, delicious confections and dazzling desserts for hundreds

of state dinners and family occasions. An accomplished teacher as well as a master chef, he now shares his expertise with home cooks in *Dessert University*, which features more than 300 spectacular recipes. This beautifully illustrated volume is a complete course in making the full spectrum of spectacular sweets—from breakfast pastries, cookies, and pies to fresh-fruit desserts, frozen confections, and cakes. Recipes in each chapter are organized from the simplest to the most complex, and Chef Mesnier walks you through each step, pointing out common mistakes and offering insights on technique gained from his years as a professional. Most of these recipes need few special ingredients and almost no fancy equipment; nearly everything can be purchased at a well-stocked supermarket, department store, or kitchen supply store. Chef Mesnier includes tips on techniques, ingredients, and serving suggestions, and offers home cooks practical advice, such as how to fill

and use a pastry bag and the best way to whip egg whites. Mesnier starts off with his fresh-fruit desserts, including uniquely wonderful recipes such as Bananas in Raspberry Cream, Blueberry Fool, and Poached Peaches with Chestnut Mousse. He moves on to creamy custards, puddings, soufflés, mousses and Bavarians, ice creams, meringues, crêpes, and breakfast treats (including buttery brioche and croissant doughs). Chef Mesnier's cookie and bar recipes will fill your cookie jar with such treats as Chocolate Chip Cookies, Almond Crescents, Orange Butter Cookies, Brownies, and Florentine Squares. There are sweet and savory tarts, and cakes ranging from the simple (Lemon Pound Cake) to the unusual (Peanut Butter and Jelly Roulade Cake) to the sophisticated (Chocolate Champagne Mousse Cake). More than fifty black-and-white line drawings throughout illustrate Chef Mesnier's instructions for the more complicated recipes. Whether you're a novice who has never picked up a

Frequent Frauds Found in Governments and Not-for-Profits Aug 17 2021

Recognizing fraudulent or deceptive practices is not always easy. What common frauds occur in governments and not-for-profits and how can they be avoided? Illustrating common frauds that make headlines and damage the reputations of government and not-for-profit entities, this title allows accountants to sharpen their forensic skills and uncover and avoid fraudulent activities. It provides an informative case study

approach to real world situations. This title will show accountants how to do the following: Determine how interim fraudulent reporting may affect planned reliance on internal controls and any related audit procedures. Identify how personnel policies and procedures can be circumvented and lead to possible fraud or abuse. Apply potential ways to follow up on noted indications of fraud, abuse, and weaknesses in internal control. Determine how management override of internal controls can lead to possible fraud. Analyze how bribes and kickbacks may occur. Identify how donated assets and capital assets in general might be misappropriated.

Betrayed Nov 19 2021 Sometimes it pays to get up early... For reasons he refuses to admit, bad boy Kane McCassey has a soft spot for women who need help. Those familiar with his reputation say that he doesn't take anything seriously. But his family knows the truth, and isn't surprised when Kane risks everything to

save the woman who literally drops into his life. Nothing prepared Lizzie Barnes to handle the whirlwind of trouble that comes calling out of the blue. Desperate to save herself, she resorts to drastic measures...only to find she's traded one dangerous situation for another. They met by coincidence. Lizzie doesn't understand Kane's desire to help her, but she does trust him. With no other choice, she accepts his offer. When Kane discovers Lizzie isn't the only one in danger, he must find and confront the one who betrayed him, or lose everything he loves...including Lizzie.

Bite By Bite Jan 22 2022 Celebrated caterer

Peter Callahan knows how to throw a party. With a career spanning more than two decades and a client list including celebrities, politicians, Fortune 500 companies, and New York City socialites, Peter has earned a reputation for creating hors d'oeuvres that are as inventive and beautiful as they are delicious. A two-sip shot

cleverly matched to a small bite is an incredible icebreaker, especially when the appetizer is playfully served on an edible spoon or inside a miniature Chinese take-out container. Bite-size cheeseburgers are served on tiny home-baked poppy seed buns with all the trimmings. Mango-marinated shrimp are served individually on lollipop sticks sprinkled with fresh cilantro; diminutive plantain cones are filled with dollops of tuna tartare; and chicken is rolled into nori "cigarettes." And for an impressive encore, how about shots of coffee with sugar donuts, or mini bagels with lox and cream cheese paired with caviar cones and champagne? In *Bite by Bite*, his debut cookbook, Callahan welcomes readers to share in the fun and beauty of his creations, providing inspiration for parties—whether casual gatherings, dinner parties, baby showers, or formal occasions such as weddings and holiday soirees—and 100 recipes for the home cook, ranging from savory to sweet, comfort food to haute cuisine. According to Peter, being

prepared is the key to pulling off a self-catered party like a professional. With that in mind, he has included a “Kitchen Tools and Conveniences” section, listing the key equipment that will help you create the delicious masterpieces in this book. In the recipes he also notes what can be made in advance, how best to schedule your time, and any emergency substitutions and shortcuts that will make life easier on the big day. Along the way, he divulges his secrets and inspiration, recounting stories of how he dreamed up dishes that he’s catered for his impressive roster of celebrity clients. Full of creative recipes, unique party ideas, and vibrant food photography, Bite by Bite is your go-to source for inspired hors d’oeuvres and whimsical treats that will transform any gathering into an unforgettable event.

The Structure of Communication in Early Language Development Aug 24 2019

Broadway Yearbook, 1999-2000 Dec 29 2019

Broadway Season 1999-2000 is a unique and

detailed guide to the theatrical year presenting 46 different shows. The volume features a comprehensive discussion of every show that opened on Broadway during the 1999-2000 season as well as several non-Broadway productions of importance or general interest. Each entry is accompanied by credits and cast lists, scorecards summarizing overall critical reception for each show, and a recap of each show's financial performance. A new kind of theatre annual, this distinctive volume discusses what the shows are actually like (instead of merely relying on plot synopses or photographs). It is an interpretive record, featuring not only dates and names but also the stories behind the statistics. Opening night title pages illustrate each show discussion. Appendices include a roundup of the season's major awards, memorable performances of the year, obituaries, long run leaders, shows still running from prior seasons, scheduled shows that never reached Broadway, and a comprehensive index. Steven

Suskin has provided a relevant and irreverent record of the year's memorable high points (and low points). Written from an insider's perspective, the book is knowledgeable, intriguing, provocative, and entertaining.

Reckless Bounty Jul 04 2020 For thirteen years, bounty hunter Kage Garmin has made it a point to avoid female fugitives. He wasn't going after this one, either; but couldn't resist taking a look at the girl worth a million dollars. She smiled at him, and he fell in love. Kage knew from then on, she would be his. He also knew

who was after her and why. In order to save her, he has to convince her to go the one place she's trying to avoid. Hiding in plain sight served Journey well...until a handsome bounty hunter shows up with a "feeling" she's in danger. As someone who doesn't trust easily, she's surprised to find herself believing in him. Finally convinced she deserves freedom and happiness, she's anxious to confront those who stole it from her. In a dangerous race across the country, Kage is determined to protect Journey as he fights to stay one step ahead of the enemy.
