A handy progress chart is also supplied to give you some indication of the scores your child is likely to attain. A skills check section will also help you to identify all of the key maths skills your child needs to be successful in the SATs tests.

Practise SATs Tests (The Space Age Bag) 9-12 years Apr 11 2021 Between the ages of 9 and 12, children have to complete Standardised Assessment Tests (Sats). To help them practise for these tests, we have produced a new series of comprehension booklets. The Standards and Testing Agency states that the child has 1 hour to complete the test, answering the questions in the answer booklet. Read one text and answer the questions about that text, before moving onto the next text. There are three texts and three sets of questions in each booklet. The tests in this booklet are based on the KS2 Reading Assessment sample papers. It is important to try and complete them in an hour, but it is your choice. The more tests you practise the quicker you will get.
