Free Fall Sep 26 2022 Corruption, conspiracy and a cop in trouble - only Cole and Pike can help. Elvis Cole is just a detective who can't say no, especially to a girl in a

terrible fix. And Jennifer Sheridan qualifies. Her fiancé, Mark Thurman, is a decorated LA cop with an elite plainclothes unit, but Jennifer is sure he's in trouble - the kind of serious trouble that only Cole can get him out of. Five minutes after his new client leaves the office, Cole and his partner, the enigmatic Joe Pike, are hip-deep in a deadly situation as they plummet into a world of South Central gangs, corrupt cops and conspiracies of silence. And before long, every cop in the LAPD is gunning for a pair of armed and dangerous killers - Cole and Pike.

Chasing Darkness Jan 26 2020 Three years ago Elvis Cole's actions may have freed a killer. Now three more young women are dead... It is fire season, and the hills of Los Angeles are burning. As the Police and Fire Departments evacuate the inhabitants, they find something no one expected: the days-old corpse of a middle-aged recluse who apparently committed suicide. Then comes an even more horrible discovery. Clutched in his lap is a photo album containing photographs of seven young women who have been murdered. Each photograph was taken only moments after the women were killed, and could only have been taken by the killer. One murder per year for seven years, their bodies found in different parts of the city. LAPD homicide detectives had never connected the seven murders. But now with the discovery of the 'death album' there is a link. Only one suspect had been charged in any of those cases but, with evidence supplied by Elvis Cole, in the end he walked free. That suspect was the suicide now discovered in the fire... and now the police are out for Cole...

The Great Exhibition of 1851 May 10 2021 "The book challenges the common view
that the Exhibition symbolized peace, progress, prosperity, and the emergence of
an industrial middle class. Auerbach suggests instead that the Great Exhibition
became a cultural battlefield on which proponents of different visions of
industrialization, modernization, and internationalism fought for ascendancy in the
struggle for a new national identity."--BOOK JACKET.

Lincoln's Confidant Dec 17 2021 Acclaimed as one of the great Lincoln scholars,
Wayne C. Temple offers the long-awaited first biography of Noah Brooks, the
influential Illinois journalist who championed Abraham Lincoln in state politics and
became his almost daily companion during the Civil War. Best remembered as one
of the president's few true intimates, Brooks was also a nationally recognized man
of letters who mingled with the likes of Mark Twain and Bret Harte. Temple draws
on archives and papers long thought lost to re-create Brooks's colorful life and
relationship with Lincoln. Brooks's closeness to the president made him privy to
Lincoln's thoughts on everything from literature to spirituality. Their frank

conversations contributed to the wealth of journalism and personal observations that still make Brooks a much-quoted source for biographers, historians, and Lincoln aficionados. A grand history and unparalleled scholarly resource, *Lincoln's Confidant* is the story of an extraordinary friendship by one of the giants of Lincoln scholarship.
