Dark Protectors Bundle: 3 Stories by Rebecca Zanetti Sep 29 2022 From New York Times bestselling author, Rebecca Zanetti, comes three stories in her *Dark Protectors*—Reese Family series... TEASED For almost a century, the Realm’s most deadly assassin, Chalton Reese, has left war and death in the past, turning instead to strategy, reason, and technology. His fingers, still stained with blood, now protect with a keyboard instead of a weapon. Until the vampire king sends him on one more mission; to hunt down a human female with the knowledge to destroy the Realm. A woman with eyes like emeralds, a brain to match his own, and a passion that might destroy them both—if the enemy on their heels doesn’t do so first. Olivia Roberts has foregone relationships with wimpy metro-sexuals in favor of pursuing a good story, bound and determined to uncover the truth, any truth. When her instincts start humming about missing proprietary information, she has no idea her search for a story will lead her to a ripped, sexy, and dangerous

male beyond any human man. Setting aside the unbelievable fact that he's a vampire and she's his prey, she discovers that trusting him is the only chance they have to survive the danger stalking them both. **TRICKED** Former police psychologist Ronni Alexander had it all before a poison attacked her heart and gave her a death sentence. Now, on her last leg, she has an opportunity to live if she mates a vampire. A real vampire. One night of sex and a good bite, and she'd live forever with no more weaknesses. Well, except for the vampire whose dominance is over the top, and who has no clue how to deal with a modern woman who can take care of herself. Jared Reese, who has no intention of ever mating for anything other than convenience, agrees to help out his new sister in law by saving her friend's life with a quick tussle in bed. The plan seems so simple. They'd mate, and he move on with his life and take risks as a modern pirate should. Except after one night with Ronni, one moment of her sighing his name, and he wants more than a mating of convenience. Now all he has to do is convince Ronni she wants the same thing. Good thing he's up for a good battle. **TANGLED** Ginny O'Toole has spent a lifetime repaying her family's debt, and she's finally at the end of her servitude with one last job. Of course, it couldn't be easy. After stealing the computer files that will free her once and for all, she finds herself on the run from a pissed off vampire who has never fallen for her helpless act. A deadly predator too sexy for his own good. If he doesn't knock it off, he's going to see just how powerful she can really be. Theo Reese had been more than irritated at the beautiful yet helpless witch he'd known a century ago, thinking she was just useless fluff who enjoyed messing with men's heads. The second he discovers she's a ruthless thief determined to bring down his family, his blood burns and his interest peaks, sending his true nature into hunting mode. When he finds her, and he will, she'll understand the real meaning of helpless. ****Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. Adverse Possession Jan 10 2021 The plural form of Nemesis is Nemeses Anna Albertini never thought she’d have to look up the plural form of nemesis. In fact, she never thought she’d have one, much less three. But as she and her new partner try to make a go of their fledgling law firm, enemies come from every direction. First, there’s a newspaper reporter trying to make a name for herself by dogging Anna’s every move. Second, there’s a lawyer on the opposite side of every case who just doesn’t like Anna. And third, there’s Aiden Devlin’s ex-girlfriend, who decides to descend upon the sleeping Idaho town like a bird of prey. It’s too bad she’s discovered dead...after finding herself on the wrong end of a potato gun, putting Anna top of the suspect list. Anna deals with every day as it arrives while juggling her developing relationship with Aiden, trying to pay her rent by finding at least one client who pays, and finally by partnering with her Nonna Albertini in the world’s most chaotic plan to match-make her sister with the Elk County’s prosecuting attorney, Nick Basanelli. It’s a good thing Anna has learned to thrive in chaos.

Disorderly Conduct Mar 31 2020 Bullets and Kisses Can Burn The last person Anna Albertini expects to see in an orange jumpsuit in District Court—a place she SO doesn't belong as a new prosecuting attorney—is Aiden Devlin, the man who'd saved her life when they were kids. For years, she has dreamed about him. Now here he is—his eyes blue, his chest wide, and his hands in cuffs. Sure, Aiden says he doesn't want her help, and his ties to a deadly motorcycle club should give her warning. Yes, her new boss is a sexy Italian bad boy who might be using the case

to climb to the top. Plus, the detective assigned to the case, with his green eyes and broad shoulders, wants her to stay out of his way. With so much testosterone surrounding her all of a sudden, most women would find it hard to concentrate. This might be why the case leads Anna to yelp during a spa appointment, fall out of a tree, and chase a naked old man around the courtroom. It's a good thing Anna learned a long time ago to be her own hero, no matter how fast the bullets fly or the kisses consume.
