Il bufalo della notte Feb 08 2021 In una Città del Messico affascinante e oscura, le vite di tre amici si intrecciano in maniera inestricabile sullo sfondo urbano della metropoli. Gregorio, che soffre di schizofrenia e a ventidue anni si uccide con un colpo di pistola; il suo migliore amico Manuel, perseguitato dal ricordo della malattia mentale di Gregorio, dallo spettro di un'amizizia tradita, dal mondo di violenza e di ossessione che circondava la vita dell'amico suicida; e la misteriosa Tania, ex fidanzata di Gregorio con cui Manuel ha una tormentata relazione. Giovani alla deriva, che cercano disperatamente un appiglio nel mare mosso della vita. Scritto con l'agilità di un copione cinematografica, Il bufalo della notte è un emozionante romanzo dalle tinte notturne, una storia ai confini della delinquenza e della normalità, il racconto di un rapporto viscerale di amore e amicizia che sopravvive alla morte. Pochi scrittori al mondo sanno trattare le emozioni e i sentimenti forti e violenti come Guillermo Arriaga, pochi scrittori sanno affrontare con tale potenza narrativa il lato più oscuro dell'esistenza umana e allo stesso tempo illuminarla della luce della speranza e del perdono. Dall'autore di Amores Perros, 21 grammi e Babel, un grande romanzo sulla vita ai margini della società e sulla violenza dell'amore. «Un vero capolavoro». «El País» «Arriaga è uno scrittore dotato di una forza di linguaggio e di contenuti travolgenti. Il bufalo della notte ha uno stile inconfondibile: la stessa magnifica, sorprendente violenza narrativa di Amores Perros». «El Mundo» «Stacchi netti, frasi brevi, respiro affannato nello spazio dove il sole pare non sorga mai; fumoso, violento, derelitto e frenetico questo romanzo si può definire insieme tenero e crudele, semmai sbilanciato felicemente verso un sentimento di asciutta compassione». «Corriere della Sera»

Turbine Mar 12 2021 Sembra proprio che Gerard e Jule abbiano trovato un angolo di paradiso. È il villaggio di Unterleuten, poco lontano da Berlino. Romantici cottage, aperta campagna, aria pulita: un luogo dove la vita è autentica. Fin dal principio, però, si percepisce un'atmosfera cupa, qualcosa che minaccia la quiete, qualcosa che ribolle sotto la superficie e sta per esplodere... Quando una ditta decide d'impiantare un gruppo di turbine eoliche nelle immediate vicinanze del paesino, si delinea un conflitto che va ben oltre le vite private degli abitanti: si tratta di uno scontro tra generazioni, tra città e campagna, tra artificio e natura, tra perdenti e vincitori post-muro. Una vera e propria guerra di tutti contro tutti, in cui dietro alle ideologie si nascondono gli istinti più bassi mentre le dinamiche spietate della provincia non fanno che esasperare il bisogno quasi carnale di appropriarsi di un pezzo di terra. Un crescendo di tensione che sfocia nella nevrosi collettiva e in cui la certezza è una sola: non si salva nessuno. Turbine, specchio perfetto della società contemporanea, racconta tutta la rabbia e la frustrazione di un mondo che fatica ad affrontare il cambiamento. Un romanzo brillante, intelligente come la migliore satira politica, avvincente come un giallo e umano come una confessione, che in Germania è stato un clamoroso caso letterario. «Juli Zeh ci ha regalato un gioiello che nessuno deve lasciarsi sfuggire». Martin Schulz, «Frankfurter Allgemeine Zeitung» «Juli Zeh ha scritto il romanzo del momento: sulla rabbia, sull'antipolitica e sulla rassegnazione». «Der Spiegel» «Il romanzo a sfondo sociale di Juli Zeh, che getta uno sguardo privo di cliché nel cuore della nazione tedesca, è un trionfo letterario». «Der Tagesspiegel» «Per dirlo in una parola, il romanzo di Juli Zeh è una lettura deliziosa. Coinvolgente, vivace, pieno all'inverosimile di insegnamenti e nozioni». «Die Zeit» «Così dovrebbe essere la letteratura: stimolante, emozionante, coinvolgente, divertente e piena di incertezze». «Sächsische Zeitung»

EBOOK: Using Visual Evidence Apr 24 2022 What do we mean by 'visual evidence'? How should we interpret visual texts, and what can they tell us? Why is 'visual literacy' so important and what benefits does it offer? Visual evidence encompasses a diverse range of media, from painting, cartoons and photography, to film, television and documentary. The central argument of this book is that visual evidence is a key to understanding both history and the present day and should not be relegated to a supporting role as merely illustrating the written word. The book shows students, scholars and researchers how to read the visual media to elicit meaning. As primary sources, visual texts can be studied not only for what is directly depicted in the painting or film but also for what it tells us about the people, cultures and societies that made them. Each chapter features fascinating case studies and examples which situate theory in real life. A major appeal of the book is the wealth of illustrations and photographs of visual texts which are included throughout. The authors make detailed reference to these examples to illustrate the theory surrounding visual evidence. An intriguing case study of an unknown girl's photo album is just one of many examples offered, showing how we can analyze and learn from the visual text. This comprehensive and insightful edited collection brings together international media and cultural theorists, historians and art historians to demonstrate the value of visual evidence not only to media and cultural studies, but also to history, the general humanities and the social sciences.

Le donne del Nuovo Pensiero (ebook + audiolibro) Sep 25 2019 Edizione inedita: ebook + audiolibro Con download della versione audio completa, per ascoltare l'audiolibro separatamente e autonomamente dall'ebook. L'antologia raccoglie gli scritti di cinque maestre del Nuovo Pensiero (Genevieve Behrend, Mildred Mann, Florence Scovel Shinn, Elizabeth Towne ed Helen Wilmans) che illustrano i cardini teorici di ciascuna pensatrice. Ogni donna del Nuovo Pensiero, infatti, pur partendo dall'assunto principale che il pensiero crea la realtà, ha indagato il potere della mente sotto prospettive differenti. Donne con storie diverse ma tutte accomunate dal costante anelito verso la comprensione del funzionamento della mente. Le donne del Nuovo Pensiero furono filosofe e maestre di vita ma anche donne - in un'epoca molto più dura verso il genere femminile rispetto a quella attuale - capaci di fare una scelta di vita autentica: fare del pensiero la propria realtà anche se in contrasto rispetto alle convenzioni sociali (si pensi a Helen Wilmans che lasciò il marito e le condizioni di povertà per realizzare il suo sogno di diventare una letterata). Quella delle donne del Nuovo Pensiero non fu una mera indagine teorica, una filosofia del pensiero avulso dalle condizioni reali e dalla pratica, al contrario: poiché pensiero e realtà sono la medesima forza, poiché il pensiero crea la realtà, quest'ultima è sempre presente nei loro scritti. In particolare, rispetto alla produzione dei pensatori uomini, quella delle donne del Nuovo Pensiero è maggiormente intrisa di esempi quotidiani, di aneddoti, di incontri (nella maggior parte dei casi con altre donne) che sono lo spunto o l'esempio per dimostrare il funzionamento della mente, per ripetere e mettere sotto angolazioni diverse i principi della Scienza della Mente e del Nuovo Pensiero. In questa raccolta si è deciso di dare spazio sia a saggi più impegnativi - si pensi a Helen Wilmans il cui Home Course in Mental Science è probabilmente il più esaustivo lavoro sui principi della Scienza della Mente e del Nuovo Pensiero mai prodotto - sia a saggi che offrono esercizi pratici, come le tecniche di respirazione proposte da Elizabeth Towne o le tecniche di visualizzazione di Genevieve Behrend, per sviluppare e mantenere sempre attivo il magnifico potere del pensiero. Indice dei brani: "Perché mi occupo di Scienza della Mente" da Il potere della visualizzazione di Genevieve Behrend. "Lezione 1" da Corso completo in Scienza della Mente di Helen Wilmans. "Il gioco" da Il gioco della vita (e come giocarlo) di Florence Scovel Shinn. "Io sono il Sole di Dio" da Tu sei il Sole di Dio di Elizabeth Towne. "Lezione 3" da Corso completo in Scienza della Mente di Helen Wilmans. "Come trovare te stesso" da Come trovare te stesso di Mildred Mann. "Lezione 6" da Corso completo in Scienza della Mente di Helen Wilmans. "Amore" da Il gioco della vita (e come giocarlo) di Florence Scovel Shinn. "Come ottenere ciò che si desidera" da Come ottenere ciò che desideri di Genevieve Behrend. "Concentrazione e meditazione" da Come trovare te stesso di Mildred Mann. The contributors cover virtually every area relevant to Hardy's fiction and poetry, including philosophy, palaeontology, biography, science, film, popular culture, beliefs, gender, music, masculinity, tragedy, topography, psychology, metaphysics, illustration, bibliographical studies and contemporary response. While several collections have surveyed the Hardy landscape, no previous volume has been composed especially for scholars and advanced graduate students. This companion is specially designed to aid original research on Hardy and serve as the critical basis for Hardy studies in the new millennium. Among the features are a comprehensive bibliography that includes not only works in English but, in acknowledgment of Hardy's explosion in popularity around the world, also works in languages other than English.

Type of Beauty Jun 02 2020 A Type of Beauty is the dramatised account of the life of Kathleen Newton (1854-1882) whose love affair with French artist Jacques Tissot scandalised Victorian society. A sweeping story set in London, Agra, Bombay and Paris, it brings to life the sights, scents and emotional landscape of the Victorian era. When Kate Kelly, beautiful and feisty, travels to India to marry a man she has never seen, she considers her life is over. But little does she know it is just beginning. She ends up back in London with an unconsummated marriage, a pending divorce and is pregnant by a man she despises. Despite the awfulness of her situation, she never loses hope of finding happiness which she does while holidaying in Paris with her sister. Undress Me in the Temple of Heaven Mar 31 2020 They were young, brilliant, and bold. They set out to conquer the world. But the world had other plans for them. Bestselling author Susan Jane Gilman's new memoir is a hilarious and harrowing journey, a modern heart of darkness filled with Communist operatives, backpackers, and pancakes. In 1986, fresh out of college, Gilman and her friend Claire yearned to do something daring and original that did not involve getting a job. Inspired by a place mat at the International House of Pancakes, they decided to embark on an ambitious trip around the globe, starting in the People's Republic of China. At that point, China had been open to independent travelers for roughly ten minutes. Armed only with the collected works of Nietzsche, an astrological love guide, and an arsenal of bravado, the two friends plunged into the dusty streets of Shanghai. Unsurprisingly, they quickly found themselves in over their heads. As they ventured off the map deep into Chinese territory, they were stripped of everything familiar and forced to confront their limitations amid culture shock and government surveillance. What began as a journey full of humor, eroticism, and enlightenment grew increasingly sinister-becoming a real-life international thriller that transformed them forever. *Undress Me in the Temple of Heaven* is a flat-out page-turner, an astonishing true story of hubris and redemption told with Gilman's trademark compassion, lyricism, and wit.

Double Happiness Aug 05 2020 Tony Brasunas's award-winning debut memoir is a portrait of life in China and a groundbreaking story of coming of age in today's era of globalization. In a classroom in sultry Guangzhou, having never before left the United States nor taught a class on anything, armed only with a beginner's grasp of the language, Brasunas confronts thirty-seven expectant ninth graders in white uniforms. When he fails repeatedly -- often humorously -- in the tense classroom, an intrinsic curiosity about Chinese culture and about himself springs from within and drives him not only to keep trying with his ninth graders, but to trust his instincts in the dishonest streets as well, and ultimately to make new friends from all walks of life. When the school year ends, Brasunas sets off with just a backpack across the vast hinterlands of China, along the Silk Road in the north, and to the edge of ancient Tibet in the west. His intrepid odyssey not only brings him face to face with a rich tapestry of people -- from Muslim political dissidents in Linxia to monks in mountainous Tibetan monasteries -- but also plunges him into unexpected peril, torturous romance, and wild twists of fate that transform his basic understanding of right and wrong, beauty and truth, suffering and happiness. Bold and inspiring, *Double Happiness* is a vivid journey across China and through the soul of a young American. EDITORIAL REVIEWS "A very talented writer... a journey filled with rich insight." EBOOK: Positive Psychology and the Body: The somatopsychic side to flourishing Aug 29 2022 As positive psychology continues to make leaps and bounds in terms of scientific advancement, the focus on the importance of the body within optimal functioning is still lagging. Positive Psychology and the Body provides a critical reflection on this omission, highlighting the mounting corpus of scientific research completed on the physical mechanisms which assist either momentary experiences of pleasure or longer-lasting feelings of meaning and self development. Indispensable reading for students of well-being, positive psychology and sports psychology, the book spans topics such as physical activity, genetics, interpersonal touch, positive sexual behaviours, nutrition and many more. Those studying and researching coaching, health, clinical psychology and counselling psychology will also find the book valuable reading. With contributions from Angela Clow and Michael Pluess. "Finally, an author has addressed the white elephant in the room: the human body. Arguably one of the most important aspects of the self the body has long been overlooked by positive psychologists as a serious point of study. This book has it all: from sex to genetics to illness Hefferon brings an expert review of research, clear advice and fresh thinking." Dr. Robert Biswas-Diener, Managing Director, Positive Acorn, LLC "With this fine textbook, Positive Psychology expands its scope considerably, to include new and important perspectives from the very foundation of any psyche: the body. Indeed, we may argue that as much as any organ, the psyche is part of the body, if certainly still very strangely so. Kate Hefferon with her colleagues are to be strongly applauded for making new understandings of the mind-body-unity so accessible to students and everyone else interested in this fascinating topic." Hans Henrik Knoop, Aarhus University, Denmark and President, European Network for Positive Psychology "In a field - positive psychology - overcrowded with simplistic treatments of happiness and the good life, Kate Hefferon has put together a truly original book. By linking principles of positive psychology with the body, Hefferon brings to light the need for a more holistic approach to the good life, one that honors the reality that we carry out this project called "life" tethered to this world through our bodies. Anybody interested in a more grounded positive psychology should read this book." Corey L. M. Keyes, Professor of Sociology, Emory University, USA "In showing the relevance of positive psychology to sexuality, nutrition, health and physical activity Kate Hefferon pushes the boundaries of positive psychology into new territory. Packed with ideas that we can apply in our own lives, students and others interested in positive psychology will find this book an excellent introduction. Well worth the time to read." Stephen Joseph, author of *What Doesn't Kill Us: The New Psychology of Posttraumatic Growth*
