Ninotchka Mar 24 2022 A Russian émigré living in New York travels to Paris to try to reconstruct the secret life of another Russian woman who was murdered there on the eve of World War II.

Heimat Nov 19 2021 „Wie kann man verstehen, wer man ist, wenn man nicht weiß, woher man kommt?“ Sie lebt seit über 12 Jahren in New York, ist verheiratet mit einem amerikanischen Juden und fühlt sich deutscher als jemals zuvor. Woher kommt das? Und wer ist sie eigentlich? Die preisgekrönte, 1977 in Karlsruhe geborene Autorin und Illustratorin Nora Krug fragt sich, was Heimat für sie bedeutet, und unternimmt eine literarisch-grafische Spurensuche in der Vergangenheit ihrer Familie: Was hatte Großvaters Fahrschule mit dem jüdischen Unternehmer zu tun, dessen Chauffeur er vor dem Krieg gewesen war? Und was sagen die mit Hakenkreuzen dekorierten Schulaufsätze über ihren Onkel, der mit 18 Jahren im Zweiten Weltkrieg fiel? Ihre gezeichneten und handgeschriebenen Bildergeschichten fügt Krug mit Fotografien, Archiv- und Flohmarktfunden zu einem völlig neuen Ganzen zusammen. „Heimat“ ist ein einzigartiges Erinnerungskunstwerk, in dem Familiengeschichte auf Zeitgeschichte trifft. Ein Graphic Memoir, lebendig, wahr und poetisch erzählt. Dieses eBook beinhaltet farbige Abbildungen und Illustrationen mit handgeletterten Texten. Es ist für die Darstellung auf Tablets optimiert.

Fried Potatoes, Mustard Greens, Fat Back, Soup Beans, and Cornbread. . . Apr 24 2022 ". . . Retracing the Vanishing Footprints of Our Appalachian Ancestors" represents a genealogical history of thirteen major pioneer families who settled in eastern Kentucky during the 18th and 19th Centuries. The surnames include Adams, Berry, Brooks, Brown, Burton, Castle, Chaffin, Daniel, Large, Thompson, Ward, Wellman, and Young. To fully appreciate their social and economic hardships and challenges requires the reader to visualize what life was like on the early frontier. After the American Revolution and the Civil War, many of these early pioneers traveled from North Carolina and Virginia into the sheltering hills of eastern Kentucky via Cumberland Gap and Pound Gap. Others came from Pennsylvania. They settled in early Floyd and Lawrence Counties, which were later divided into present day Boyd, Elliott, Floyd, Johnson, Lawrence, and Martin Counties. They were mostly of English, Irish, Scotch-Irish or Anglo-Saxon extraction and made their living by farming the hilly terrain or working in the coalmines. Some supplemented their income by trapping and hunting. They may have been poor by economic standards, but they remained a proud and independent people with strong character traits. Many of their descendants have gone on to become physicians, lawyers, teachers, scientists, military leaders and public servants.

Courage, Endurance, Sacrifice Jul 16 2021 Missionary Biography with many historic photographs Starting in 1875 and covering a span of almost 100 years, three missionary families exhibited bravery, endurance, and sacrifice when their very lives were at risk. William David Powell and his wife, Mary Florence Mayberry Powell, were missionaries to “Wild West” Texas then Mexico. In the period 1910-1947 (including during Japanese occupation) their daughter Florence and her husband, Hendon M. Harris, were missionaries to Kaifeng, China. Their son Hendon M. Harris Jr. and his wife Marjorie Weaver Harris served as missionaries to Taiwan and Hong Kong. Referencing 55 books and 39 articles, this biography gives numerous firsthand accounts from all three families. Dr. Hwa-Wei Lee, Retired Chief of the Asian Division, Library of Congress says that this text is “Rich in historical facts, this biographical work of three generations of missionary work in one family...vividly depicts the courage, endurance, and sacrifice of those pioneering missionary workers in faith. In this well-researched book the author offers a good picture of the true nature of missionary work...For readers interested in the modern history of China during the most turbulent period of its history this book provides useful insights.”

Vengeance May 26 2022 The book is mainly a crime story with a heartwarming love theme built in to the context. The crime is the illegal sale and distribution of drugs through the equine sports of horse racing and show jumping and how the sports became infiltrated by shady owners and people working within the two sports--for instance, race horse trainers and jockeys. The novel takes you on a journey at breakneck speed on how the drugs come into the country and are then dispersed through a network of outlets on the racecourses all over the south of England. Furthermore, the novel tackles how the drugs are passed to customers in such a unique manner without money actually changing hands. The novel tells the story of the jockey club's security agents, Discreet Intelligence Reports & Technical Services (DIRTS), an independent company that deals with all the jockey club security problems, with the jockey club running horse racing in Great Britain. Steve Hurst is the main character in the novel, and DIRTS is his company. The two sports are being swamped with the illegal sale and distribution of cocaine and heroin. Steve loses his fiancée, Jane Coe, an international show jumper, to the influences of drugs as she falls for a fellow show jumping junky, Chris Cobb. Steve falls into the arms of one of his employees, Laura, and the love story quickly gathers pace. But who wants to kill Laura and Steve, what do they know, and can Chief Inspector Heyes of the Sussex Police Constabulary save them in time before the contract killer strikes? Initial Review of Vengeance; Readers Digest Magazine. "VENGEANCE which is supurbly crafted, intricately detailed story is by turns joyful, sorrowful, and uplifting. A must-read story of relationships, prejudice, and a vivid paean for justice. Overall this fine book offers well-drawn, human characters and logically flowing action.. all written in a striking style" If you enjoyed Vengeance, the sequel, The Secret Syndicate, is under way! It's set in Sussex and filled with more intrigue regarding the horse-racing industry. (Release date: September 2015.) Find out how Steve and Laura, Ricky and Charlie, and DCI John Heyes crack their second case. Will Miles and Natalie get together? And how will Laura deal with a yard full of horses? Ronald Moore had the incredible experience of working as an assistant trainer in a racing yard during the late 1980s and early 1990s. He has also held a jockey's licence during that time and rode in races. His niece was an international showjumper who represented her country many times before turning to race riding; she rode in two Grand Nationals. Ronald has always been interested in horse racing and showjumping, and has owned many racehorses and showjumpers over the years. One of his favourite authors is Dick Francis, who wrote many novels based on the horse-racing theme. Jilly Cooper, famed for her book Riders, set in the promiscuous showjumping world, is another author he admires. Vengeance is Ronald's first novel, and he sought to blend racing and showjumping as the story's backdrop, peppering the action with romance, as well as various criminal activities regarding the illegal sale and distribution of drugs. This provides a unique spin on this tried-and-trusted equestrian theme that has served countless authors so well in the past. Ronald intends to utilise the main characters in this novel in the sequel which he is writing at the moment. He hopes the poignant scenes and moral issues threaded through the story, together with the romance and fast-paced action, will make Vengeance a memorable and enjoyable read.

Summer Light Feb 20 2022 A Maine vacation forces a young woman to challenge her own understanding of the world in a sharply insightful first novel

We Are the Wards! Feb 08 2021 The authors commemorate their ancestors, descendants, and heritage with honor as a memorial stone for their children and their children’s children so they will know from whence they have come in this family history. That history includes Madison and Ella Ward, both born in the mid-1800s, married in 1876, and who raised eight children on one acre with one mule. They stood on their Christian faith and believed in God. Through their love and strength of family, they survived the degradation of post-slavery America to prosper and become – six generations later – among the most respected landowners in Alabama. We Are the Wards! preserves the Ward family legacy, inspires future generations, and encourages other families to follow their vision. The strength of the Wards, as for most black families since slavery, has been critical to surviving an inhumane system whose legacy has lived on via the Black Codes, Jim Crowism, and institutional racism. While each generation will be bombarded with new challenges, new value systems, and new lifestyles, families can find success by refusing to compromise their Christian values – just like the Wards.
