Homoeopathic Guide to Family Health May 30 2020 Homoeopathic Guide to Family Health presents the homoeopathic system of medicine in an easy to understand and quick referral format, making homoeopathy as simple as ABC. Symptoms are classified in a simple manner, as you see them and as you feel them. In one compact volume, the authors have introduced the system of homoeopathic healing, how it originated, the scientific theories underlying it, and its advantages in terms of alleviating sickness and reducing costs for treatment and medication. Since first published in 1989, Homoeopathic Guide to Family Health has become a "Doctor at Home" to thousands of families, and has converted many to the discipline of homoeopathy. More than 55,000 copies have been sold. "A practical and invaluable guide to family health. The chapter on emergencies and first aid is especially handy. Definitely the best-produced self-medication tome currently available." - The Times of India "Makes the doctrine of effective cure comprehensible for the vast section of society. Provides the reader with immediate medical advice at home." - The Indian Express "Well written and informative." - The Hindu Dr. V. R. Bajaj, M.D., earned his medical degree from Punjab University. He worked as chief physician of the Department of Skin and Sexually Transmitted diseases at Medical College, Amritsar. For years, he taught anatomy and physiology in medical colleges. Dr. Bajaj used homoeopathic medicine from time to time in his practice and believed that it could alleviate suffering without side effects. R. K. Tandon has been a keen student of the homoeopathic system of healing for decades. After an extensive study of the subject, he presents homoeopathy in a manner that enables even a layman to benefit from this remarkable, yet simple system of medicine. After writing the first edition of this book in 1989, he wrote ten more books, including How to Stay Healthy with Homoeopathy Publisher's website: <http://sbpra.com/RKTandonandVRBajaj>

Deep Self-Healing Nov 04 2020 Louise Armitage's interest in natural health and spirituality started in her late teens, but it wasn't until 1995, after winding a career path through both education and marketing communications, that she left the mainstream working world to pursue her career as a natural healer. A professional natural therapist, Armitage describes her deeply personal journey of mind/body/spirit healing through mindfulness meditation in *Deep Self-Healing*. Her own story explores how she faced healing the many faces of bitter emotional pain common to many like grief, worthlessness, powerlessness, lovelessness, anxiety, guilt, and self-doubt. As well as providing a detailed account of her own self-healing process, she weaves thoughtful discussions of many important spiritual-healing concepts such as the role of karma, past-lives, and soul evolution. *Deep Self-Healing* blends an intimate, and honest, personal story with the important spiritual healing principles underpinning it, making it a useful resource for all healers and serious seekers. For both healers and all who seek personal growth, *Deep Self-Healing* a Personal Story and Spiritual Guide offers a rare and highly useful resource. This is a book to be read, re-read, and well-studied. Scott Mandelke, PhD, teacher, counsellor and author of *From Elsewhere* and *Universal Vision*

Homeopathy for Mumps Jun 30 2020 Homeopathy for Mumps is an easy-to-use practical guide for newcomers to homeopathy to self-prescribing safe, non-toxic homeopathic remedies for the common symptoms of the mumps virus in an otherwise healthy child. It does not discourage essential treatment for conditions for which medical supervision should be sought - parents and guardians are encouraged to make their own well-informed decisions regarding vaccinations. Homeopathy treats the person not the disease and homeopathic remedies have no side-effects and cannot weaken your child's immune system.

Homeopathy for Mumps is written in an easy to follow style and recommends ten of the most effective homeopathic remedies for the symptoms of mumps in the 30c potency. Homeopathic remedy descriptions are short and self-explanatory. Readers may find the Self-Help chapter especially useful particularly the guidelines on treating fever. This chapter also explains how to recognize and deal with any complications. Care and safety of the child are paramount and professional medical help, which may include classical homeopaths, is advised should problems arise. A choice of international specialist suppliers of homeopathic remedies is included to help locate remedies in various countries. Another important addition is a simple three-step guide to observing and classifying reactions after giving remedies, with follow-up actions if necessary. These suggestions concur with the principles of classical homeopathy to ensure optimal success in prescribing. *Homeopathy for Mumps* is interspersed with color photographs and pertinent quotations. For instance, does homeopathy work? Paolo Bellavite et al explains: "We now have the results of studies that have used homeopathic remedies under well-known experimental conditions, as well as conventionally produced experimental evidence indirectly explaining homeopathic phenomena. The current scientific literature contains a substantial body of evidence and examples that may provide new insights improving our understanding of the principle of similarity and the action of small (or highly diluted) doses of medicines, particularly on the immune system and host defenses (39-45). These studies document and may clarify some of the specific aspects of the biochemical regulatory mechanisms possibly underlying the observed paradoxical phenomena. The 'simile' - brought back to its biological meaning of the inverted, or paradoxical, effects of the same or similar compounds - can operate under a number of experimental and reproducible conditions." "Anyone who adopts an unprejudiced position will discover that immunology and the whole of modern biology in general can offer a considerable contribution to the understanding of homeopathy in a framework that is not very different from the conventional context. In other words, although it is true that some of the most reductionist molecular lines of modern science are ultimately incompatible with the systemic nature of homeopathic thought, it is equally true that many others are perfectly compatible." (Paolo Bellavite, Anita Conforti, Valeria Piasere, and Riccardo Ortolani, "Immunology and Homeopathy. 1. Historical Background," *Evidence-Based Complementary and Alternative Medicine*, vol. 2, no. 4, pp. 441-452, 2005. doi:10.1093/ecam/neh141 - distributed under the Creative Commons

The Homeopathic Self-Appraisal Index Apr 28 2020 A Materia Medica, A Repertory, A Guide to Homeopathy London 1854: "If it should please the Lord to visit me with cholera I would wish to fall into the hands of a homeopathic physician." So wrote the Government Inspector to Parliament, following a devastating outbreak of cholera, in which 52% of non-homeopathic patients died, while the mortality for homeopathic patients was 16%. After that epidemic, the British Royal family consulted with homeopathic physicians. In 1900 in the United States, there were 20 homeopathic medical colleges and more than 100 homeopathic hospitals! Fully 1/3 of all physicians were homeopathic. The downfall started in 1938 when the herbal, diluted homeopathic remedies were declared "drugs" and thus came under the heavy arm of the FDA. Colleges were closed, practitioners were arrested. (We had a homeopathic company in the 1980s and I can tell harrowing stories of FDA "drug raids" at our place of business). No doubt about it, homeopathy was given a bad rap. Today, no longer categorized as drugs, we can purchase homeopathic remedies from practitioners, stores and the internet. But which remedies? This book details 5 ways to find a remedy: 1. By remedy description (Alchem-184 remedies) 2. By Symptom and Syndrome 3. Add the Synergists (vitamins, minerals, glandulars) 4. By Blood test 5. Use SAF Online, at www.LifeEnergyResearch.com. Complete a questionnaire, access the SAF Alchem-184 Database. This computerized tabulation propels homeopathy into the 21st Century! History and use, remedy and symptom descriptions, and 26 remedies no medicine cabinet should be without.
